

DR. GUFRAN NAHID

Consultant - Radiation Oncology

Qualification

MD (Radiation Oncology)

Overview

Dr. Ghufran Nahid is a Consultant in Radiation Oncology at Manipal Hospital, Rangapani, with over 10 years of post-MD experience in delivering advanced radiotherapy treatments for various types of cancers. As a dedicated Radiation Oncologist, Dr. Nahid specialises in radiotherapeutic planning and treatment, ensuring precise, patient-centric care using techniques like IMRT, IGRT, SBRT, and brachytherapy. His expertise spans the entire spectrum of clinical oncology, focusing on personalised cancer treatment strategies that enhance patient outcomes while minimising side effects. With a Doctor of Medicine (MD) in Radiotherapy, Dr. Nahid stays at the forefront of oncological advancements, integrating evidence-based protocols with compassionate care. At Manipal Hospital, Rangapani, he collaborates with a team of specialists to offer comprehensive cancer care, emphasising early diagnosis, targeted therapy, and holistic patient management. Dr. Nahid’s commitment to precision medicine, continuous learning, and patient well-being sets him apart in the field of radiation oncology.
