

DR. MANISH GOSWAMI

Consultant - Surgical Oncology

Qualification

MBBS | MS-ENT | FACS (USA) | FELLOW (GCRI)

Overview

Dr. Manish Goswami is a Consultant in Surgical Oncology at Manipal Hospital, Rangapani, bringing experience in treating complex head and neck cancers. Holding an MBBS degree since 2006 and an MS in ENT completed in 2013, Dr. Goswami has furthered his expertise through prestigious fellowships, including FACS (USA) and a Fellowship from the Gujarat Cancer & Research Institute (GCRI). His surgical precision and evidence-based approach make him a trusted name in oncology, particularly in the diagnosis and treatment of cancers of the oral cavity, larynx, salivary glands, nose and paranasal sinuses, and the thyroid gland. Dr. Goswami is known for delivering comprehensive and patient-centric cancer care using advanced surgical techniques and minimally invasive procedures that ensure better outcomes and faster recovery. At Manipal Hospital, he collaborates with multidisciplinary teams to create tailored treatment plans that integrate the latest advancements in oncology. With a deep commitment to clinical excellence and ongoing medical education, Dr. Goswami remains at the forefront of innovation in surgical oncology. Whether managing benign tumors or performing complex oncological surgeries, Dr. Manish

Goswami ensures ethical, empathetic, and evidence-based care, making him one of the most sought-after surgical oncologists in Eastern India. For those searching for the best head and neck cancer surgeon in Siliguri, Dr. Goswami's expertise at Manipal Hospital Rangapani stands out for its excellence, trust, and positive clinical outcomes.
