

DR. V.K. SUDARSSANAM

Consultant - Paediatrics

Qualification

MBBS | MD

Overview

Paediatrics consultant Dr. V.K. Sudarsanam is a highly skilled and knowledgeable professional. He has earned respect in his field with a solid educational foundation and a wealth of clinical experience. Dr. Sudarsanam graduated from Rajah Muthiah Medical College with an MBBS and an MD in paediatrics. Dr. Sudarssanam has sought additional speciality outside his official education through various fellowships and affiliations. He is actively associated with the National Neonatology Forum (NNF), the Indian Medical Association (IMA), and the Indian Academy of paediatrics (IAP). His associations see his dedication to staying current with developments in his industry. Dr. Sudarsanam is a specialist in numerous fields of paediatrics with a focus on newborn care, paediatric intensive care (PICU)/neonatal intensive care (NICU), and paediatric nutrition. He has attended a postgraduate course in paediatric nutrition, so he knows what small infants and babies should eat. Due to his considerable training, he can provide a comprehensive approach to children's development and health. He offers specialised treatment for conditions including paediatric thyroid disease, paediatric diabetes, growth and

development evaluation, paediatric infections, congenital diseases, newborn and child nutrition, paediatric chest issues, and ADHD treatments. Additionally, he is skilled in recognising and treating various viral diseases and fevers that plague youngsters. For the same reason, he is considered as the best Best Pediatrician in Salem. Dr. Sudarssanam's dedication to his profession is evident through his involvement in conferences and seminars. He was honoured to be a delegate at the Indian Academy of paediatrics in 2016, further highlighting his commitment to advancing paediatric care. With over a decade of experience, Dr. Sudarssanam has worked in esteemed medical institutions and hospitals. He served as a Senior Registrar at Surya Hospital from 2011 to 2012 and as a Consultant at S. Palaniandi Mudaliar Hospital from 2012 to 2014. During this time, he gained valuable practical experience, honing his diagnostic and treatment skills. Dr. Sudarssanam's professional credentials are complemented by his fluency in multiple languages. He is proficient in English, Tamil, and Telugu, ensuring effective communication with patients and their families from diverse backgrounds. Dr. Sudarssanam's commitment to high-quality care and his passion for improving children's health have earned him recognition and appreciation from patients and peers. He has been a registered medical practitioner with the Tamil Nadu Medical Council since 2009, showcasing his adherence to professional standards and ethics. Dr. V.K. Sudarssanam is a skilled and committed paediatrician with in-depth knowledge of many facets of child healthcare. He continues to greatly affect paediatrics by assuring the well-being and healthy development of innumerable children with his extensive expertise, specialised knowledge, and sympathetic manner.
