

DR. JAYARAMAN.R.N

Consultant - Radiology

Qualification

MBBS | MD (Radio Diagnosis)

Overview

Dr. Jayaraman R.N. is a Specialist in the space of radiology with broad preparation and mastery. He has made significant commitments to clinical imaging in light of his uncommon instructive foundation and profundity of information. Dr. Jayaraman offers patients keen examination and exact findings because of his neuroimaging and outer muscle imaging skills. Dr. Jayaraman holds an MBBS degree and an MD in Radio Diagnosis/Radiology. He completed his MBBS from The Tamil Nadu Dr. M.G.R. Medical University in 2005. Later, he pursued his MD in Radio Diagnosis/Radiology from Dibrugarh University in 2010. Because of this extensive training, he now possesses the knowledge and skills required to treat all complicated cases. Dr. Jayaraman constantly engages in professional networks and stays updated with the most recent developments in his area because he is an IMA member. He prioritises lifelong learning and professional growth to give his patients the finest care possible. Dr. Jayaraman has a profound interest in case-based interactive image interpretation sessions, and his passion for his work has been remembered through various awards and achievements. He won the first prize in a case-based interactive

image interpretation session at GRIP - German Remedies Imaging Program in June 2009, held in Kaziranga, Assam, India. Furthermore, he secured the third prize in the image interpretation session at ISNR in 2009, which took place in Chennai. Another notable achievement was winning the third prize in the state conference of the Indian Radiological and Imaging Association (IRIA) held in Assam in December 2009. For the same reason, he is considered a foremost radiologist in Salem. Dr. Jayaraman offers his patients a wide range of treatments because of his experience in radiology. His areas of expertise include interventional neuroradiology, contrast radiography, eye ultrasound, panoramic radiology, ultrasound/ultrasonography, simple radiology, musculoskeletal imaging, neuroimaging, radiotherapy, vascular imaging, and simple radiology. His wide range of services demonstrates his dedication to giving his patients thorough and accurate diagnoses. Dr. Jayaraman is fluent in English and Tamil, enabling effective communication with his patients. He believes in developing strong doctor-patient relationships and strives to provide personalised care to each individual he serves. Dr. Jayaraman R.N is dedicated and accomplished Radiologist with a wealth of experience in Musculoskeletal Imaging and Neuroimaging. With his exceptional qualifications, memberships in professional associations, and notable awards, he is highly regarded in his field. Driven by a passion for delivering excellent patient care, Dr. Jayaraman continues to contribute to the advancement of medical imaging and serves as a valuable asset to the healthcare community.
