

DR. ARUN KARTHIK

Consultant - Internal Medicine

Qualification

MBBS | MD (Gen. Med)

Overview

Dr. Arun Karthik is a Consultant in Internal Medicine with extensive training and dedication, focusing on several areas of healthcare. Dr. Karthik is a well-respected authority in his profession, with an exceptional educational background and a wealth of experience in the medical industry. His credentials include an MD in General Medicine and an MBBS degree. Through his Fellowship and Membership in prestigious organisations, Dr. Karthik's dedication to remaining current with medical breakthroughs is clear. He is a proud member of the Indian Medical Association (IMA), the Association of Physicians of India (API), and the Hypertension Society of India. His dedication to lifelong study and professional development is seen in his ties. Dr. Arun Karthik has gained proficiency in several important fields within the wide field of internal medicine. Toxicology, where he specialises in detecting, managing, and avoiding poisoning and exposure to toxic chemicals, is one of his main areas of interest. He can effectively address instances involving hazardous exposures because of his in-depth knowledge and expertise in this field. In addition to Toxicology, Dr. Karthik is highly skilled in managing Infectious Diseases. He possesses comprehensive

knowledge of various infectious agents and their treatment protocols, enabling him to provide accurate diagnoses and appropriate treatment plans. His expertise extends to managing complex infection cases, ensuring optimal patient outcomes. Emergency Care is another area of Dr. Karthik's expertise. He has the expertise needed to effectively manage urgent and important circumstances since he is an experienced professional. In light of his preparation for emergency medication, he can make quick decisions and part with individuals who need assistance. For the same reason, he is considered the best general physician in Salem. Dr. Arun Karthik is a multilingual speaker capable of English, Tamil, and Malayalam. His capacity to communicate in various dialects assists him with cooperating with patients from various social foundations. In the clinical world, Dr. Karthik has gotten commendations and acknowledgements for his responsibility and information. He was given the renowned Tancon 2017 award in Coimbatore and the Tapicon 2017 award in Tuticorin. These accomplishments demonstrate his extraordinary abilities; as part of his comprehensive services, Dr. Arun Karthik offers specialised treatment for Type 1 Diabetes, focusing on effective management and personalised care plans. He is adept at guiding patients through the complexities of diabetes management, including insulin treatment and lifestyle modifications. Despite focusing on diabetes, Dr. Karthik also works as a general physician. His knowledge goes beyond certain specialities, enabling him to treat various illnesses and give his patients comprehensive treatment. Dr. Karthik graduated from Rajah Muthiah Medical College in 2002 with a degree in medicine and surgery. He is a Tamil Nadu Medical Council member and has registration number 71046. The dedication of Dr. Karthik to lifelong learning and professional growth guarantees that his patients receive the finest care available.
