

DR. M. SUBHASINI

Senior Consultant - High Risk Pregnancy Gynec Laproscopic Surgeon Infertility / ART Specialist Specialist in Tubal Recanalization

Qualification

MBBS | MD (OBG)

Overview

Dr. M. Subhasini practices obstetrics and gynaecology with high dedication and expertise. She specialises in high-risk obstetrics, benign and preventative gynaecology, laparoscopic gynaecological operations, and infertility therapies and has a strong educational background. Dr. Subhasini is renowned for her skill in offering complete care to women at every stage of the reproductive process. In 2004, Dr. Subhasini graduated with her MBBS from the Tamil Nadu Dr. M.G.R. Medical University. She excelled academically while pursuing her physiology, ENT, and ophthalmology degrees, earning university ranks and prizes in each field. She pursued her MD in Obstetrics and Gynaecology from the same university in 2009 to hone her professional skills and expertise. Her choice was motivated by her passion for women's health. Her association allows her to coordinate with experts nearby, trade information, and advance in obstetrics and gynaecology. Dr. Subhasini has made significant contributions to her field through her talks and publications. She has given talks on topics related to women's health, including the impact of COVID-19 vaccination on breast cancer testing. Both patients and other healthcare professionals

get to learn a lot from her informative lectures. She has also highlighted the need for early identification and prevention while shedding light on the increased prevalence of uterine cancer caused by lifestyle changes. No wonder she has positioned herself as the best gynecologist in Salem. Dr. Subhasini offers various services to address women's health concerns at Manipal Hospitals. These include managing menstrual disorders in adolescent girls, conducting early pregnancy scans, providing care during and after delivery, performing vaginal surgeries such as prolapse repair and rejuvenation, and conducting ovarian removal surgeries. She also specialises in maternal-fetal medicine, catering to the needs of pregnant women with complex medical conditions. Dr. Subhasini's expertise extends beyond clinical practice, as she actively engages in research and academic activities. She received recognition for her outstanding paper presentation at a Silver Jubilee conference during her postgraduate studies. Her dedication to continuous learning ensures that her patients receive the most advanced and evidence-based care. Proficient in English and Tamil, Dr. Subhasini ensures effective communication with her patients. This allows her to understand their concerns, provide clear explanations, and establish a strong doctor-patient relationship built on trust and mutual understanding. With her exceptional qualifications, experience, and compassionate approach, Dr. M. Subhasini is a trusted healthcare professional and the best gynaecologist in Salem, Tamil Nadu. Her commitment to women's health and contributions to the field make her a highly respected and sought-after consultant in Manipal Hospitals, Salem.
