

DR. PRADEEP S

Consultant - Neuro Surgery

Qualification

MBBS | MCh(Neuro) | DrNB | MNAMS

Overview

Dr. Pradeep S is an experienced neurosurgeon in Tamil Nadu with expertise in complex cranial and spinal procedures. He is currently practising as a Consultant - Neurosurgery at Manipal Hospitals Salem. With a strong academic foundation and extensive research experience, Dr. Pradeep S is proficient in the management of complex neurovascular pathologies, minimally invasive brain and spinal surgeries, and the integration of advanced imaging techniques into surgical planning. His expertise in these areas enables him to offer innovative, patient-centric care, contributing to the advancement of neurosurgical practice. Dr. Pradeep S began his journey in medicine with an MBBS from Madras (2006 – 2012) and then pursued an M.Ch. in Neurosurgery at Madurai (2014 – 2020). He further enhanced his qualifications by successfully completing the DrNB in Neurosurgery. Throughout his rigorous training, Dr. Pradeep S developed a keen interest in neurovascular surgery and minimally invasive techniques, which now form the core of his clinical practice. His practice emphasises the importance of a multidisciplinary approach, ensuring that each patient receives individualised treatment tailored to their

unique clinical needs. Dr. Pradeep's academic pursuits extend to prolific research and active participation in professional conferences. His publications include studies on the Morphometric Analysis of Tentorial Incisura and its Clinical Implications, Neurovascular Variations of Sphenoid Sinus: Impact on Transsphenoidal Surgery, and A 3D-Computed Tomography Angiography Study to Help in Surgical Planning for Retrosigmoid Craniotomies. These research endeavours have not only advanced the understanding of neuroanatomical variations but also contributed to the refinement of surgical techniques in neurosurgery. In addition to his research, Dr. Pradeep S is an active member of several professional associations, including the Neurological Society of India, the Tamil Nadu Association of Neurological Surgeons, the Madurai Neurosurgical Academy, and the Neuro Spinal Surgeons Association. These memberships reflect his commitment to continuous professional development and staying at the forefront of neurosurgical innovation. Fluent in English and other regional languages, Dr. Pradeep S ensures effective communication with his patients, fostering a collaborative environment that is crucial for successful treatment outcomes. His dedication to research, teaching, and clinical excellence makes him a valuable asset in the field of neurosurgery. By continuously embracing new technologies and refining his surgical techniques, Dr. Pradeep S remains committed to enhancing patient care and advancing neurosurgical practices.
