

DR. ASHOK KUMAR.R

Consultant - Nephrology

Qualification

MBBS | MD | DNB(Medicine) | DM(NEPHRO)

Overview

Dr. Ashok Kumar R is a highly qualified and experienced nephrologist, currently serving as a consultant at Manipal Hospital in Salem. He has a diverse educational background and holds multiple degrees, including MBBS, MD, DNB(Medicine), and DM(NEPHRO). He is an extremely significant contributor to the nephrology community due to his substantial credentials and specialised training. Dr. Ashok Kumar R is a distinguished member of the Indian Society of Nephrology, which fosters developments in the area of nephrology and upholds high standards of patient care. He also participates in the MMC Nephro Alumni, demonstrating his commitment to lifelong learning and networking with other authorities in his industry. Acute kidney damage (AKI) and renal transplantation are his speciality areas. A thorough grasp of immunosuppressive medication, organ compatibility, and post-transplant care is necessary for difficult renal transplantation surgery. Because of his knowledge in this field, Dr. Ashok Kumar R. can offer patients needing kidney transplants complete and specialised treatment. Additionally, his proficiency in managing AKI enables him to effectively diagnose and treat patients experiencing sudden kidney

function decline. Due to his capabilities, he is considered one of the best nephrologists in Salem, Tamil Nadu. Dr. Ashok Kumar R is fluent in multiple languages, including Tamil, English, and Hindi. This linguistic proficiency allows him to communicate effectively with diverse patients, ensuring clear and accurate medical advice and information are provided. Dr. Ashok Kumar R has achieved numerous awards and recognitions throughout his career. Notably, he was awarded a gold medal in pre-clinical studies, showcasing his exceptional academic performance and dedication to excellence. He is also actively engaged in research and education, further contributing to the advancement of nephrology. He has delivered talks on various nephrology topics, sharing his expertise and knowledge with peers and aspiring medical professionals. Additionally, he has published articles addressing pertinent issues, such as whether dialysis patients can receive the Covid-19 vaccine, demonstrating his commitment to staying at the forefront of medical advancements and providing valuable insights to the medical community. Dr. Ashok Kumar R was instrumental in helping Manipal Hospital in Salem provide dialysis care during the coronavirus epidemic. He ensured that patients with kidney-related diseases kept getting the assistance and treatment they required despite the epidemic's difficulties. His constant professionalism and compassion are best demonstrated by his dedication and commitment to his patient's well-being, even under trying circumstances. Nephrologist Dr. Ashok Kumar R is a committed professional with strong patient care, research, and teaching background. His credentials, area of specialisation, and involvement in reputable organisations show that he is dedicated to giving his patients the finest care possible. Dr. Ashok Kumar R is a renowned specialist in acute kidney injury and renal transplantation who has made important advancements in nephrology. His presence at Manipal Hospital in Salem greatly benefits the medical staff and the community. He is well-appreciated by his peers and colleagues.
