Overview

Dr. Debabrata Bose is a highly accomplished and respected General Surgeon with over three decades of clinical and surgical experience. Currently serving as a Consultant in General Surgery at Manipal Hospitals, Salt Lake, Kolkata, Dr. Bose is recognised for his surgical precision, commitment to patient care, and wide-ranging expertise across various surgical disciplines. Holding an MBBS and MS in General Surgery, he further strengthened his credentials with an FRCS (UK), a prestigious international fellowship that marks his surgical excellence and global training. Throughout his extensive career, Dr. Bose has performed thousands of surgeries, earning the trust and admiration of both peers and patients alike. His surgical repertoire includes a broad array of procedures spanning abdominal, gastrointestinal, thoracic, vascular, and minimally invasive surgeries. Dr. Bose is proficient in treating conditions such as hernias, gallstones, appendicitis, and gastrointestinal malignancies. He also handles specialized interventions like anti-reflux surgeries, anal fissure and fistula repair, and soft tissue tumor excisions. With a strong emphasis on laparoscopic surgery, he utilises minimally invasive techniques that

promote faster recovery, reduced postoperative discomfort, and minimal scarring. In addition, he collaborates across disciplines, offering surgical support in gynaecology, ENT (ear, nose, and throat), and vascular procedures, including aortic aneurysm repairs and endovascular surgeries. He is the best General surgeon in Saltlake, Kolkata. Beyond the operating room, Dr. Bose is known for his holistic and patient-centric approach. He ensures that patients and their families are thoroughly informed about the diagnosis, treatment options, and expected recovery pathways. His empathetic communication and methodical follow-up care reflect his belief in long-term healing and wellness. As a senior practitioner, he also mentors junior doctors and contributes to clinical discussions that enhance surgical protocols and patient outcomes within the hospital. Dr. Debabrata Bose's clinical journey is defined by integrity, discipline, and a relentless pursuit of surgical excellence. His role at Manipal Hospitals, a leading healthcare institution equipped with advanced facilities, further amplifies his ability to deliver world-class treatment. With over 35 years of experience, a rich academic background, and a patient-first attitude, Dr. Bose stands out as one of the most dependable names in general surgery in Eastern India. Patients seeking reliable surgical solutions—be it routine procedures or complex interventions—can count on his seasoned expertise, precision, and compassionate care.
