

**DR. MADHUSUDAN SAHA**

Consultant - Gynecology & Obstetrics

**Qualification**

MBBS | MD(OBG)

## Overview

Dr. Madhusudan Saha is a senior and highly respected Consultant in Gynaecology and Obstetrics, with an illustrious career spanning over 49 years. Currently practising at Manipal Hospital Salt Lake, Dr. Saha is known for his exceptional expertise in handling complex gynaecological and obstetric conditions with clinical precision and compassionate care. He holds an MBBS from the University of Calcutta (1976), an MD in Obstetrics and Gynaecology from IPGMER, Kolkata (1982), and a DNB in Obstetrics and Gynaecology from the National Board of Examination, New Delhi. His special area of interest lies in Minimally Invasive Gynaecological Surgery, a field in which he has delivered consistently excellent outcomes for patients. Over the course of his career, Dr. Saha has made significant academic contributions to the field. He has authored and co-authored numerous peer-reviewed research papers, including a notable study titled “Ultrasonographic study of 793 foetuses: Measurement of normal foetal kidney lengths in Bangladesh,” which has contributed valuable data to prenatal diagnostics. He has also explored public health topics such as mental health among left-behind wives of migrant workers, gastrointestinal

symptoms in general populations, and psychological challenges among migrant workers. These contributions reflect his broad understanding of women's health, reproductive care, and the socio-medical factors that influence well-being. He is the best gynaecologist in Kolkata. Dr. Saha provides a wide range of treatments, including laparoscopic hysterectomy, IVF, open fibroid and ovarian cyst surgeries, vaginoplasty, hymenoplasty, diagnostic hysteroscopy, and both normal and Caesarean deliveries. Fluent in English, Bengali, and Hindi, he creates a comforting environment for patients by ensuring clear and empathetic communication. With his blend of clinical excellence, surgical skill, and academic depth, Dr. Madhusudan Saha continues to be a trusted and influential figure in the field of gynaecology and obstetrics. Dr. Saha stays updated with the latest advancements in gynaecological care, ensuring evidence-based treatment for every patient. His dedication to women's health and personalised care approach makes him a preferred choice for patients across all age groups.
