

DR. RAJESH KR. GOEL

Consultant - Pediatrics

Qualification

MBBS | DCH | APLS | MRCPCH

Overview

Dr. Goel’s clinical expertise spans the full spectrum of pediatric medicine, from routine newborn assessments to managing complex conditions such as developmental delays, respiratory infections, pediatric allergies, and nutritional disorders. He is especially known for his proactive approach to preventive care, offering immunisation schedules, growth tracking, and early intervention strategies to ensure that children reach their full physical and cognitive potential. Dr. Goel believes in a child-centric and family-inclusive model of care, taking the time to explain conditions and treatments clearly to parents. His warm demeanour and gentle communication style create a comforting environment that helps build trust with both children and caregivers. He is a top paediatrics expert in Saltlake, Kolkata. In addition to his clinical responsibilities, Dr. Goel is deeply involved in public health education and outreach programs. He regularly participates in school health camps, parenting seminars, and awareness drives focused on childhood hygiene, nutrition, and disease prevention. A respected voice in Kolkata's pediatric community, Dr. Goel continues to stay abreast of the latest advancements in pediatric and neonatal care.

Fluent in English, Bengali, and Hindi, he ensures that families from all backgrounds feel understood, respected, and empowered in their child’s healthcare journey. Dr. Goel’s approach to pediatric care is grounded in compassion, evidence-based practices, and a holistic understanding of childhood development. Whether it’s guiding new parents through the challenges of infancy or supporting adolescents through growth and behavioural transitions, he emphasises personalised care tailored to each child's unique needs. His clinic is thoughtfully designed to be child-friendly, minimising anxiety and making doctor visits a positive experience for young patients. Parents appreciate his attentiveness during consultations, where he patiently listens to concerns and explains diagnoses and treatment plans with clarity and reassurance. Dr. Goel also contributes to academic and clinical research in pediatric medicine, regularly attending national and international conferences to stay updated with evolving best practices. His unwavering commitment to child welfare continues to make a meaningful impact on countless families.
