

DR. SUCHIR MAITRA

Senior Consultant - ENT

Qualification

MBBS | DLO | MRCS | DHONS (England)

Overview

Dr. Suchir Maitra is a distinguished ENT (Ear, Nose, and Throat) specialist with extensive experience and expertise in diagnosing and managing a wide range of otolaryngological conditions. With a deep commitment to patient care and clinical excellence, Dr. Maitra has earned a strong reputation for his proficiency in both medical and surgical management of ENT disorders. His areas of specialisation include chronic sinusitis, allergic rhinitis, nasal polyps, tonsillitis, adenoid hypertrophy, hearing loss, vertigo, voice disorders, and obstructive sleep apnea. He is also adept at performing advanced ENT surgeries such as Functional Endoscopic Sinus Surgery (FESS), septoplasty, tympanoplasty, mastoidectomy, and microlaryngeal surgeries. Dr. Maitra’s approach is grounded in evidence-based medicine, ensuring accurate diagnosis and effective treatment plans tailored to each patient’s individual needs. Throughout his career, Dr. Maitra has remained committed to staying at the forefront of medical advancements. He regularly updates his skills through workshops, conferences, and continuous medical education, ensuring that his patients benefit from the latest and most effective treatments

available in the field. His use of advanced diagnostic tools and minimally invasive techniques helps reduce patient recovery time and enhances treatment outcomes. Patients appreciate his calm demeanour, clear communication, and compassionate care, which create a comfortable environment for consultations and treatments. Dr. Miatra is particularly focused on holistic ENT care that not only addresses the immediate symptoms but also identifies underlying causes to prevent recurrence. He is passionate about educating his patients about their conditions, treatment options, and preventive measures, empowering them to make informed decisions about their health. His dedication to pediatric ENT care is also notable, with significant experience in managing conditions such as recurrent ear infections, adenoid issues, and speech delays in children. He is the best ENT/Otolaryngology specialist in Salt Lake. With a patient-first philosophy, Dr. Suchir Miatra ensures that every individual receives personalised attention, thorough evaluation, and a clear, comprehensive treatment plan. His collaborative approach with multidisciplinary teams, when necessary, adds value in complex cases requiring coordinated care. Dr. Maitra's unwavering dedication, advanced clinical skills, and ethical practice have made him a trusted name in ENT care. His goal remains to restore and enhance his patients’ quality of life through accurate diagnosis, effective treatment, and continuous support.
