

DR. DIPANKAR SARKAR

Senior Consultant - Internist and Intensivist

Qualification

MBBS | MD (Internal Medicine) | Diploma in Anaesthesia

Overview

Dr. Dipankar Sarkar stands as a distinguished medical consultant specialising in Internal Medicine and Critical Care. With a robust educational foundation and extensive training across various specialized domains, Dr. Sarkar has cultivated a profound reservoir of expertise throughout his illustrious career. His academic journey commenced with the attainment of an MBBS degree, which laid the groundwork for his subsequent accomplishments. Building upon this foundation, he pursued a Diploma in Anaesthesiology, further honing his skills in medical management. His thirst for knowledge and commitment to excellence led him to secure an MD in Internal Medicine, solidifying his position as an authority in this field. However, Dr. Sarkar's journey transcends academics as he pursued specialised training that has significantly enriched his proficiency. Under the mentorship of distinguished physicians such as Dr. Debal Sen and Dr. K.B. Bakshi, he underwent rigorous training in Echocardiography at the esteemed Centauri Critical Care Unit. This experience not only imparted him with a comprehensive understanding of critical cardiac care but also marked the inception of his immersion into the realm of

specialized medical imaging. Driven by an insatiable curiosity and dedication to staying at the forefront of medical advancements, Dr. Sarkar embarked on a path of continuous learning. He further refined his skills through specialized training, including Transoesophageal Echocardiography at the prestigious CHEST Glenview in Chicago and a focused Lung Ultrasound course in Singapore. These endeavours expanded his diagnostic capabilities and fortified his expertise in non-invasive medical imaging techniques. His dedication and contributions to the medical landscape have been lauded through a string of awards and accolades. A standout achievement includes a university gold medal in Diploma in Anaesthesiology, a testament to his academic prowess and unwavering commitment to excellence. His prowess in scholarly endeavours was acknowledged with the Certificate of Excellence in the Asian Journal of Medicine and Health in 2021. Beyond individual accomplishments, Dr. Sarkar is intricately woven into the fabric of the medical community through his active affiliations and memberships. He holds esteemed positions in organizations such as the Cardiological Society of India, the Association of Physicians of India, the Indian Society of Critical Care Medicine, the Electrographical Society of India, and the Indian Academy of Echocardiography. Dr. Sarkar's repertoire of expertise spans a spectrum of critical care and cardiological domains. He possesses adeptness in Non-invasive Cardiology, Cardiac Hemodynamics, and Critical Care Medicine. His proficiency extends beyond traditional medical practices, encompassing vital aspects such as ventilator management, infection control, and antibiotic stewardship. Dr. Dipankar Sarkar's journey through rigorous education, specialized training, and professional accolades illuminates his status as a dedicated medical consultant. His unyielding commitment to continuous learning, unwavering patient care, and the constant push towards advancing medical knowledge cements his role as a revered figure within the medical fraternity.

Fellowship & Membership

- Cardiological Society of India.
- Association of Physician of India.
- Indian Society of Critical Care Medicine.
- Electrographical Society of India.
- Indian Academy of Echocardiography.

Field of Expertise

- Critical Care Medicine
- Non-invasive cardiology
- Cardiac hemodynamics
- Ventilators and Infection control and Antibiotic Stewardship

Languages Spoken

- English
- Bengali
- Hindi

Awards & Achievements

- Honours in Community Medicine.
- University gold Medallist in Diploma in Anaesthesiology Certificate of Excellence in
- Reviewing 2021 in Asian Journal of Medicine and Health.
