

DR. ALOK KUMAR ROY

Consultant - Dermatology & Venereology

Qualification

MBBS | DVD | MD

Overview

Dr. Alok Kumar Roy is a highly respected Consultant in Dermatology, currently associated with Manipal Hospital, Salt Lake. With over a decade of clinical experience, Dr. Roy has built a strong reputation for his expertise in diagnosing and managing a wide range of dermatological and venereal diseases. Known for his compassionate care and methodical approach, he has successfully handled numerous complex cases across various healthcare institutions in India. His key areas of specialisation include skin disorders, sexually transmitted infections, and aesthetic dermatology. He is the best skin specialist in Salt Lake, Kolkata. Dr. Roy began his medical journey at R.G. Kar Medical College and Hospital, Kolkata, where he earned his MBBS in 1979. He further pursued his passion for skin and venereal diseases by completing his MD in Dermatology from the University College of Medical Sciences, New Delhi, in 1991. Throughout his career, he has shown a consistent dedication to academic and clinical excellence. As a postgraduate examiner in various universities across India, he plays an active role in shaping the next generation of dermatologists. In addition, he has over 40 research publications in national and

international medical journals, contributing valuable insights to the global dermatological community. Fluent in English, Bengali, and Hindi, Dr. Roy is widely appreciated for his patient-centric communication and empathetic treatment style. He is deeply committed to continuous learning and remains actively engaged in dermatology workshops and conferences. Patients value his precise diagnostic abilities and individualised treatment plans, which often include both medical and procedural interventions. Whether treating common conditions like acne and eczema or complex cases involving skin infections and pigmentation disorders, Dr. Alok Kumar Roy combines experience, research-based knowledge, and a caring approach to deliver optimal outcomes. His contributions to dermatology continue to strengthen the quality of skin care available in Kolkata and beyond, and his dedication has helped many people to get cured and lead a worry-free life.
