

DR. UMASANKAR MUKHERJEE

Consultant - General & Laparoscopic Surgery

Qualification

MBBS | MS (General Surgery) | FRCS | FRCS

Overview

Dr. Umasankar Mukherjee is a distinguished Consultant in General and Laparoscopic Surgery with extensive expertise in gastrointestinal, pancreatico-biliary, thyroid, and diabetic foot surgeries. With a strong academic foundation and decades of hands-on surgical experience, Dr. Mukherjee has established himself as one of the most respected surgeons in Kolkata. He is currently associated with Manipal Hospitals, Salt Lake, where he is known for his precision, professionalism, and patient-centred approach. His proficiency in minimally invasive laparoscopic procedures has helped numerous patients achieve faster recoveries and better outcomes. Dr. Mukherjee completed his MBBS from Medical College, Kolkata in 1987, followed by an MS in General Surgery from the same institution in 1993. He further enhanced his qualifications by earning fellowships from the Royal College of Surgeons of Edinburgh and the Royal College of Surgeons and Physicians of Glasgow. These prestigious fellowships underscore his commitment to excellence and global standards in surgical care. He is also a life member of the Association of Surgeons of India, contributing actively to the advancement of the surgical community in the country.

Known for his meticulous surgical techniques and comprehensive diagnostic skills, Dr. Mukherjee has also contributed to medical literature, co-authoring research in internationally reputed journals. His academic achievements include receiving national scholarships from the Government of India in both 1979 and 1981. Fluent in English, Bengali, and Hindi, he ensures effective communication with a diverse patient base. Dr. Mukherjee's dedication to continuous learning and patient education reflects his passion for advancing healthcare. With a career that blends academic excellence, technical expertise, and compassionate care, Dr. Umasankar Mukherjee continues to make a significant impact in the field of general and laparoscopic surgery. He also plays an active role in mentoring young surgeons, sharing his vast clinical knowledge through training programs and surgical workshops. Dr. Mukherjee regularly participates in national and international surgical conferences to stay abreast of the latest advancements in his field. His unwavering focus on patient safety, ethical practice, and evidence-based care has earned him the trust of both colleagues and patients alike.
