

**DR. PARTHASARATHY BISWAS**

Consultant - Psychiatrist

**Qualification**

MD | MBBS

## Overview

Dr. Parthasarathy Biswas is a highly respected Consultant Psychiatrist currently associated with Manipal Hospitals, Salt Lake, Kolkata. With over 20 years of experience in the field of mental health and behavioural sciences, he has developed a comprehensive approach to treating psychological, emotional, and behavioural issues across all age groups. Dr. Biswas specialises in the management of schizophrenia, mood disorders, anxiety and stress-related conditions, as well as alcohol and drug de-addiction. His clinical practice also focuses on complex neuropsychiatric cases involving seizure disorders, Parkinson’s disease, HIV, and traumatic brain injuries. Dr. Biswas completed his MBBS from Delhi University and pursued his MD in Psychiatry from the prestigious Postgraduate Institute of Medical Education and Research (PGIMER), Chandigarh. He is actively involved in academic research and has participated in numerous workshops and published extensively in reputed journals. His areas of interest include child and adolescent psychiatry, marital and psychosexual disorders, personality disorders, and psychosomatic illnesses. He is a strong advocate of holistic care, incorporating psychotherapy, counselling,

ECT services, and stress management techniques for individuals, students, and corporate professionals alike. He is a top Psychiatrist in Saltlake, Kolkata. An esteemed member of several professional organisations, Dr. Biswas is affiliated with the Indian Psychiatric Society, the Indian Association of Social Psychiatry, and the Indian Association of Child and Adolescent Mental Health. He is known for his empathetic approach, in-depth evaluations, and individualised treatment plans. Fluent in English, Bengali, and Hindi, Dr. Biswas ensures effective communication with patients from diverse backgrounds. His dedication to mental health, combined with his vast clinical experience, has made him a trusted figure in psychiatric care. Whether addressing acute psychiatric episodes or providing long-term mental health support, Dr. Parthasarathy Biswas remains committed to improving the psychological well-being of his patients. He also actively engages in mental health awareness initiatives, aiming to reduce stigma and promote early intervention within the community.
