Senior Consultant - Gastroenterologist

### **Qualification**

MBBS | MD | MRCP

### **Overview**

Dr. Sujoy Maitra completed his MBBS in 1992 and MD in General Medicine in 1999 from the University of Calcutta. Following this, he pursued specialized training in Gastroenterology and Hepatology as part of Northern Deanery, UK's Specialist Registrar Training program. This advanced training helped him acquire in-depth knowledge and expertise in various aspects of gastroenterology and hepatology, laying the foundation for his successful career in the field. Dr. Maitra, as the best Gastro Doctor in Salt Lake, Kolkata, has gained extensive experience in performing both diagnostic and therapeutic upper and lower gastrointestinal endoscopies. He is skilled in addressing a wide range of gastrointestinal issues and providing effective treatment options. His clinical expertise includes the management of dyspepsia, a condition commonly associated with discomfort in the upper abdomen, as well as inflammatory bowel diseases such as Ulcerative Colitis and Crohn's Disease, which can significantly impact the gastrointestinal tract. He is proficient in the treatment of gastrointestinal bleeding disorders, whether upper or lower GI bleeds, which often present as life-threatening emergencies that require prompt intervention.

Additionally, Dr. Maitra has substantial experience in managing Irritable Bowel Syndrome (IBS), a functional gastrointestinal disorder that leads to symptoms like abdominal pain, bloating, and irregular bowel movements. In the realm of hepatology, Dr. Maitra specializes in the treatment of both acute and chronic liver diseases. This includes the management of conditions like cirrhosis, hepatitis, and liver failure, as well as the care of patients undergoing liver transplantation. His expertise in liver transplantation allows him to offer critical care for patients with end-stage liver disease. This procedure can dramatically improve patients' chances of survival and quality of life. He is the best Gastro Doctor in Salt Lake, Kolkata. Dr. Maitra has been practising as a Consultant Gastroenterologist in India since 2008, where he has built a reputation for providing compassionate and effective care to his patients. With his wealth of experience and continuous pursuit of excellence, he remains a respected figure in the field of gastroenterology and hepatology in India.
