

## **DR. SAUMIK DAS**

Consultant- ENT Surgery

### **Qualification**

MBBS | MS | DLO | DNB(ENT)

### **Overview**

Dr. Saumik Das is a distinguished ENT specialist with over 27 years of experience in the field of otolaryngology. He holds an MBBS from NRS Medical College and an MS (ENT) from R.G. Kar Medical College, Kolkata, along with additional qualifications including DLO (Diploma in Otorhinolaryngology) and DNB (Diplomate of National Board in ENT). Currently serving as a Consultant ENT Surgeon at Manipal Hospitals, Saltlake. Dr. Das is widely respected for his precision and expertise in a broad spectrum of ENT procedures. His areas of specialisation include microsurgery of the ear, endoscopic ear and sinus surgeries, head and neck surgeries, and pediatric ENT care. Dr. Das has contributed significantly to academic and clinical advancements in his field. He received the Barbara Mathieson Fellowship in 2001, allowing him to gain valuable international exposure at the ENT department of Radcliffe Infirmary, Oxford, UK. He has also held teaching positions, including Assistant Professor roles at Midnapore Medical College and NRS Medical College. His research includes publications such as “Lateral Rhinotomy Revisited,” featured in the Indian Journal of Otolaryngology and Head and Neck Surgery in July 2007. HE is the best

ENT Doctor in Kolkata Salt lake. Dr. Das is actively involved in professional associations, having served as the Honorary Secretary and Treasurer of the AOI (West Bengal State Branch). He is a member of the Association of Otolaryngologists of India and the Indian Medical Association (IMA), Kolkata Branch. Fluent in English, Bengali, and Hindi, he is known for his compassionate approach and dedication to patient care. Through his academic contributions, surgical skill, and commitment to excellence, Dr. Saumik Das continues to be a leading figure in ENT surgery across Eastern India. He regularly participates in national and international ENT conferences, staying updated with the latest surgical innovations and treatment protocols. Dr. Das also conducts workshops and training programs to mentor upcoming ENT surgeons and share his vast clinical experience. Known for his patient-centric approach, he takes the time to understand each case thoroughly, ensuring optimal outcomes with minimal discomfort.
