

DR. ANIRUDDHA DASGUPTA

Senior Consultant - General and Laparoscopic Surgeon

Qualification

MBBS | MS (General Surgery) | FRCS

Overview

Dr. Aniruddha Dasgupta is a highly respected General and Laparoscopic Surgeon based in Kolkata, with over 14 years of clinical and surgical experience. He holds an MBBS from Calcutta University and an MS in General Surgery from Medical College, Calcutta. Further enhancing his surgical expertise, Dr. Dasgupta earned the prestigious FRCS from the Royal College of Surgeons of Edinburgh. His dedication to advanced surgical techniques and patient-centred care has established him as a leading figure in minimally invasive procedures. Specialising in advanced laparoscopic and gastrointestinal surgeries, Dr. Dasgupta offers a broad range of services including gallstone removal, inguinal hernia repair, laparoscopic appendectomy, and vascular trauma management. He is also proficient in treating complex conditions such as hepato-biliary-pancreatic disorders, laser-assisted fistula treatment, and robotic-assisted GI surgeries. Known for his precision and attention to detail, he combines modern surgical technologies with compassionate care to ensure optimal outcomes for his patients. Dr. Dasgupta is also an active member of the Royal College of Physicians and Surgeons, reflecting his commitment to

maintaining high professional standards and continuous learning. Fluent in English, Bengali, and Hindi, he connects effortlessly with patients across linguistic backgrounds. As a GI Laparoscopic and Robotic Surgeon, he is currently serving as a Consultant in General and Laparoscopic Surgery, contributing not only his surgical skill but also his passion for medical advancement. With a reputation for excellence in laparoscopic and minimally invasive procedures, Dr. Aniruddha Dasgupta continues to set benchmarks in surgical practice in Eastern India. He regularly participates in surgical workshops and CME programs to stay updated with the latest innovations in laparoscopic and robotic surgery. Dr. Dasgupta also mentors young surgeons, sharing his knowledge and clinical insights to help shape the next generation of surgical professionals. He has presented at various national and international conferences, furthering discourse in the field of minimally invasive surgery. His holistic approach emphasises not just surgical precision but also post-operative care and long-term recovery planning. Widely appreciated for his calm demeanour and clear communication, Dr. Dasgupta ensures that every patient feels supported and well-informed throughout their treatment journey.
