

DR. PIYALI CHATTERJEE

Consultant - Dermatology & Cosmetology

Qualification

MBBS | DTM & H

Overview

Dr. Piyali Chatterjee is a highly respected dermatologist and cosmetologist with over 34 years of experience in treating a wide range of skin and cosmetic concerns. Known for her clinical precision and aesthetic sensibility, Dr. Chatterjee has built a distinguished career both in India and internationally. Her areas of expertise include laser treatments, face sculpting, anti-ageing therapies, and minimally invasive cosmetic procedures. She is also well-versed in treatments such as thigh lifts, Botox injections, double chin reduction, and liposuction. Her approach to skincare is both scientific and patient-centred, focusing on achieving natural and lasting results. Dr. Chatterjee earned her MBBS from the Research Institute for Tropical Medicine in 1990. She further pursued a Diploma in Tropical Medicine and Hygiene from the University of Calcutta in 1997, followed by a DNB in Dermatology from IPGMER, Kolkata. Her academic credentials and clinical acumen are complemented by her leadership experience as the former Medical Head of Kaya Skin Clinic in the Middle East, where she played a pivotal role in developing standardised skincare protocols and mentoring young doctors. Dr. Chatterjee has also designed educational

modules such as “The Art of Doing Micro-needle RF,” underscoring her commitment to continuous learning and innovation. He is the top Cosmetologist in Salt Lake, Kolkata. In addition to her clinical and academic work, Dr. Chatterjee is fluent in English, Bengali, and Hindi, allowing her to connect with a broad patient base. She specialises in advanced dermatological procedures such as cryosurgery, laser surgery, phototherapy, and Mohs surgery, along with treatment of chronic skin conditions like eczema, psoriasis, vitiligo, and melasma. Her deep understanding of both medical dermatology and cosmetic dermatology makes her a sought-after expert in her field. Dr. Piyali Chatterjee continues to set high standards in dermatological care through compassion, expertise, and innovation. She is also actively involved in public awareness campaigns, educating communities about skin health, sun protection, and early detection of skin cancers.
