### **Overview**

Dr. Polly Chatterjee is a distinguished Senior Consultant in Obstetrics & Gynaecology at Manipal Hospital, Salt Lake, renowned for her compassionate approach, clinical proficiency, and commitment to delivering comprehensive women's healthcare. With extensive experience in managing both routine and complex gynaecological and obstetric conditions, she has earned the trust of countless patients through her dedication, empathetic communication, and evidence-based treatment strategies. Dr. Chatterjee's expertise spans the entire spectrum of women's health. She is highly skilled in managing high-risk pregnancies, recurrent pregnancy loss, infertility evaluations, menstrual irregularities, polycystic ovary syndrome (PCOS), endometriosis, uterine fibroids, ovarian cysts, and menopausal concerns. Her obstetric care includes assisted deliveries, Caesarean sections, and detailed antenatal and postnatal management, ensuring safe and supportive maternity care for mothers and babies. One of her core strengths lies in minimally invasive gynaecological surgery, including laparoscopic hysterectomy, ovarian cystectomy, myomectomy, diagnostic laparoscopy, and hysteroscopic procedures.

Her proficiency in these advanced techniques enables patients to experience faster recovery, lower postoperative discomfort, and improved clinical outcomes. At Manipal Hospital Salt Lake, Dr. Chatterjee is known for her patient-centric philosophy. She takes time to understand each patient's medical history, lifestyle, and emotional concerns before planning a treatment pathway. Her warm and reassuring demeanor, combined with clear, detailed explanations, provides patients with the confidence and comfort they need—especially during pregnancy or when facing sensitive gynaecological issues. Dr. Chatterjee's practice is strengthened by her commitment to staying updated with the latest advancements in obstetrics, reproductive science, and minimally invasive surgery. She actively participates in medical workshops, conferences, and academic discussions to continually enhance her clinical knowledge. She also emphasizes preventive care, promoting awareness about regular gynaecological check-ups, cancer screening tests such as Pap smears, HPV vaccination, and lifestyle modifications to support hormonal and reproductive health. Her holistic approach ensures that women receive not just treatment, but long-term guidance for maintaining overall wellbeing. With her clinical excellence, genuine empathy, and unwavering dedication, Dr. Polly Chatterjee stands out as a trusted and respected specialist in Obstetrics & Gynaecology at Manipal Hospital Salt Lake, committed to enhancing women's health at every stage of life.
