Consultant - Neurology

**Qualification**

DCH | MD (Gen med) | DM (Neurology)

## Overview

Dr. Shanti Brata Ray is a highly skilled Consultant Neurologist at Manipal Hospital, Saltlake, known for his comprehensive clinical expertise, patient-focused care, and commitment to advancing neurological health. With years of dedicated experience in diagnosing and managing a broad spectrum of neurological disorders, he has earned a reputation as a dependable and compassionate specialist who prioritizes accurate evaluation, timely intervention, and long-term patient well-being. Dr. Ray’s clinical expertise spans a wide range of neurological conditions, including stroke, epilepsy, movement disorders, headaches and migraines, neuropathies, demyelinating disorders such as multiple sclerosis, neuromuscular diseases, Parkinson’s disease, dementia, and spine-related neurological issues. He brings a meticulous approach to neurological assessment, combining detailed clinical examination with advanced neuroimaging and diagnostic tools to formulate precise and personalized treatment plans. At Manipal Hospital Saltlake, Dr. Ray is deeply valued for his empathetic communication style, clear explanations, and patient-first philosophy. He strives to ensure that every individual understands their

condition, available treatment options, and long-term management strategies. His ability to simplify complex neurological concepts empowers patients and caregivers, especially those dealing with chronic or progressive neurological illnesses. Dr. Ray is committed to evidence-based medicine and keeps himself updated with the latest advancements in neurology, including modern pharmacological therapies, neurorehabilitation techniques, and evolving treatment protocols. He actively collaborates with neurosurgeons, rehabilitation specialists, psychologists, and critical care teams to provide comprehensive multidisciplinary care whenever required. In addition to his clinical work, Dr. Ray is passionate about public awareness and patient education. He advocates early recognition of neurological symptoms, timely medical intervention, and preventive lifestyle measures to reduce the burden of stroke and other neurological diseases in the community. With his professionalism, clinical acumen, and dedication to compassionate care, Dr. Shanti Brata Ray stands as a trusted figure in Neurology at Manipal Hospital Saltlake. His unwavering commitment to improving patient outcomes and enhancing quality of life continues to make a meaningful impact on countless individuals and families.
