

DR. DIPAYAN GHOSH

Consultant - Cardiothoracic surgery

Qualification

MBBS | DNB (Gen. Surgery) | M.Ch (CTVS)

Overview

Dr. Dipayan Ghosh is a highly skilled and dedicated Consultant in the Department of Cardiothoracic Surgery at Manipal Hospital, Saltlake, where he brings advanced expertise in managing complex cardiac and thoracic conditions. With a strong foundation in cardiothoracic surgical sciences and years of clinical experience, he is committed to delivering high-quality, evidence-based care to patients requiring specialised heart and chest surgeries. His clinical approach is rooted in precision, compassion, and a deep understanding of the intricacies involved in treating life-threatening cardiovascular diseases. Dr. Ghosh's professional training includes extensive hands-on exposure to a wide spectrum of cardiothoracic procedures, ranging from routine cardiac surgeries to highly complex interventions. His areas of expertise include coronary artery bypass grafting (CABG), valve repair and replacement surgeries, congenital heart defect corrections, thoracic surgeries, and minimally invasive cardiothoracic procedures. He ensures that every treatment plan aligns with the patient's unique clinical condition, combining surgical excellence with personalised care. At Manipal Hospital Saltlake, Dr. Ghosh is known for his

collaborative and methodical approach. He works closely with cardiologists, pulmonologists, intensivists, and other specialists to ensure comprehensive evaluation and seamless continuity of care. His ability to efficiently manage critical cases, make informed decisions, and maintain surgical precision has earned him the trust of his patients and colleagues alike. Patient communication is central to his practice. Dr. Ghosh ensures that patients and their families are well-informed about the diagnosis, treatment options, and expected outcomes. By fostering clarity and compassion, he helps reduce anxiety and inspires confidence throughout the treatment journey. His commitment to ethical medical practice and transparent decision-making further strengthens his rapport with patients. Dedicated to continuous learning, Dr. Ghosh stays updated with the latest advancements in cardiothoracic surgery, including innovations in minimally invasive techniques, cardiac imaging, and postoperative rehabilitation. His passion for improving surgical outcomes and enhancing patient safety reflects in his day-to-day practice. Through his deep expertise, holistic care philosophy, and unwavering commitment to patient well-being, Dr. Dipayan Ghosh continues to make a significant impact in the field of cardiothoracic surgery at Manipal Hospital Saltlake, establishing himself as a trusted and respected name in advanced cardiovascular care.
