

DR. UDAYNARAYAN SARKAR

Consultant - Cardiothoracic surgery

Qualification

MS (Gen Surgery) | MCH (CTVS)

Overview

Dr. Udaynarayan Sarkar is a highly accomplished Cardiothoracic and Vascular Surgeon (CTVS) at Manipal Hospital, Salt Lake, known for his exceptional surgical expertise, precision, and deep commitment to improving cardiac and thoracic health outcomes. With years of experience in performing complex heart, lung, and vascular surgeries, he has emerged as one of the most trusted specialists in the field, providing life-saving care to patients with a wide range of cardiothoracic conditions. Dr. Sarkar's strong academic background and advanced training in Cardiothoracic and Vascular Surgery form the foundation of his distinguished career. He has undergone rigorous surgical education and hands-on experience in leading medical institutions, enabling him to master both conventional and minimally invasive surgical techniques. His expertise extends across coronary artery bypass grafting (CABG), valve repair and replacement surgeries, thoracic surgeries, aortic procedures, vascular bypass, peripheral vascular surgeries, and emergency trauma interventions. He is equally proficient in handling high-risk cases requiring multidisciplinary coordination and advanced postoperative care. At Manipal Hospital,

Salt Lake, Dr. Udaynarayan Sarkar is recognised for his patient-first approach. He takes time to thoroughly understand each patient's condition, clearly explain treatment options, and provide personalised guidance to help families make informed decisions. His empathetic communication style and calm, confident demeanor bring reassurance to patients undergoing major cardiac or thoracic procedures. Dedicated to ensuring the highest standards of care, Dr. Sarkar integrates modern technology, advanced imaging, and evidence-based surgical methods to achieve optimal outcomes. His focus on early diagnosis, preventive cardiology, and long-term postoperative rehabilitation further strengthens his holistic approach to cardiac and vascular health. Outside the operating room, Dr. Sarkar remains actively engaged in academic discussions, continuous professional development, and training initiatives for young surgeons. His contributions reflect a strong commitment not only to patient care but also to advancing the field of CTVS. With his surgical excellence, compassionate care philosophy, and unwavering dedication, Dr. Udaynarayan Sarkar stands as a dependable and highly respected CTVS specialist at Manipal Hospital, Salt Lake, transforming countless lives through his expertise and leadership.
