

DR. SUSMITA MITRA

Consultant - Obstetrics and Gynaecology

Qualification

MBBS | MRCOG (UK) | FRCOG (London) | FICOG (Obstetrics and Gynaecology) | FMAS (Minimal Access Surgery)

Overview

Dr. Susmita Mitra is a highly respected and experienced Obstetrician and Gynaecologist with a distinguished career spanning several decades. Based in Kolkata, she serves as a Consultant at Manipal Hospital, Salt Lake, and is also associated with other renowned healthcare institutions in the city. Dr. Mitra began her academic journey with an MBBS degree from Calcutta University in 1993 and further advanced her expertise by earning the prestigious Membership of the Royal College of Obstetricians and Gynaecologists (MRCOG) in the UK in 2003. She also holds a Fellowship from the Indian College of Obstetricians and Gynaecologists (FICOG) and a Fellowship in Minimal Access Surgery (FMAS), strengthening her clinical and surgical proficiency. She remains an active member of several respected professional bodies, including the Federation of Obstetric & Gynaecological Societies of India (FOGSI), the West Bengal Medical Council, the Indian Medical Association, and the Royal College of Obstetricians and Gynaecologists (RCOG), reflecting her commitment to continuous learning and global medical standards. Dr. Mitra’s special interests include Laparoscopy, High-risk Pregnancy management, Fetal

Medicine, and Infertility. She is skilled in performing a wide range of procedures such as: Vaginectomy and Vaginoplasty, Hysteroplasty and Laparoscopic Myomectomy, Management of Ectopic Pregnancy, Normal Deliveries, and C-sections, In-vitro Fertilization (IVF) and reproductive care Renowned for her thorough diagnostic approach, compassionate counselling, and patient-centric care, Dr. Mitra has successfully managed numerous complex and sensitive medical cases throughout her career. Many patients regard her as one of the leading gynaecologists in Kolkata, praising her attentive nature and clinical acumen. At the same time, like many senior practitioners with a large patient base, some online reviews reflect varied experiences. Still, her long-standing dedication, updated medical knowledge, and commitment to ethical, evidence-based treatment make her a trusted name in women's healthcare. Her ability to blend advanced clinical skills with a calm, reassuring presence continues to earn her the confidence of countless patients and families.
