Overview

Dr. Binayak Sen is a highly skilled and accomplished Urologist at Manipal Hospital, Salt Lake, known for his expertise, precision, and patient-centric approach to urological care. With years of dedicated clinical experience, he has established himself as a trusted specialist in diagnosing and managing a wide spectrum of urological disorders affecting the kidneys, urinary tract, prostate, bladder, and male reproductive system. His commitment to delivering high-quality, evidence-based treatment has made him a dependable name in the field of Urology. Dr. Sen’s academic foundation is built on rigorous medical training and specialised post-graduate education in Urology. Through continuous professional development, advanced surgical workshops, and exposure to the latest clinical technologies, he ensures that his practice remains aligned with modern urological standards. His expertise encompasses laparoscopic urology, prostate care, kidney stone management, reconstructive urology and more. He is also experienced in treating conditions such as urinary tract infections, prostate enlargement, genitourinary cancers, incontinence, and erectile dysfunction. A strong advocate of minimally invasive

procedures, Dr. Binayak Sen utilises advanced techniques to ensure faster recovery, reduced discomfort, and effective outcomes for patients. His skills in procedures such as TURP, ureteroscopy, laser stone surgery, PCNL, laparoscopic nephrectomy, and cystoscopy place him among the leading urological surgeons in the region. What sets Dr. Sen apart is his empathetic, detailed, and transparent style of communication. He takes time to understand each patient's symptoms, medical history, and lifestyle factors before formulating a personalised treatment plan. His ability to explain the condition and its management options in simple, reassuring terms helps patients feel informed and confident in their care journey. Dr. Sen also contributes actively to preventive urology and public awareness, encouraging early diagnosis and lifestyle modifications for long-term urinary health. His dedication, professionalism, and holistic approach have earned him the trust of both patients and colleagues. With his strong clinical acumen, modern surgical expertise, and compassionate care philosophy, Dr. Binayak Sen stands as a respected and reliable Urologist at Manipal Hospital, Salt Lake, committed to improving the urological health and quality of life of his patients.
