

DR. PAROMITA KANJILAL CHAKRABORTY

Consultant - Emergency Medicine

Qualification

MBBS | DNB (FAMILY MED) | MEM

Overview

Dr. Paromita Kanjilal Chakraborty stands as a distinguished medical consultant specialising in Family Medicine and Critical Care. With a robust educational foundation and extensive training across various specialised domains, Dr. Kanjilal has cultivated a profound reservoir of expertise throughout her illustrious career. Her academic journey commenced with the attainment of an MBBS degree, which laid the groundwork for her subsequent accomplishments. Building upon this foundation, she pursued a DNB in Family Medicine, further honing her skills in medical management. Her thirst for knowledge and commitment to excellence led her to secure an MD in Emergency Medicine, solidifying her position as an authority in this field. Beyond individual accomplishments, Dr. Paromita Kanjilal Chakraborty is intricately woven into the fabric of the medical community through active affiliations and memberships. She holds esteemed positions in organisations such as the Indian Journal of Emergency Medicine, is a Life Member of the Indian Medical Association, and serves as a certified PALS Instructor, among others. She is the best Emergency medicine consultant in Kolkata. Dr. Kanjilal's repertoire of expertise spans a

spectrum of critical care and family medicine domains. She possesses adeptness in Medicine/Family Medicine OPD services, arterial catheterisation and monitoring, needle and tube thoracostomy, thoracocentesis, and critical care medicine. Her proficiency extends beyond traditional medical practices, encompassing vital procedures such as lumbar puncture, emergency wound care, suturing of lacerations, care of vascular injuries, and emergency ultrasound. Additionally, Dr. Kanjilal has contributed to academic development through training programs and seminars, mentoring young physicians and healthcare professionals. Her compassionate approach to patient care, combined with evidence-based clinical practices, has earned him widespread recognition among peers and patients alike. Dr. Paromita Kanjilal Chakraborty's journey through rigorous education, specialised training, and professional accolades illuminates her status as a dedicated medical consultant. Her unyielding commitment to continuous learning, unwavering patient care, and the constant push towards advancing medical knowledge cements her role as a revered figure within the medical fraternity.
