

DR. DWAIPAYAN MUKHERJEE

Senior Consultant - ENT

Qualification

MBBS (CAL) | MS (ENT)

Overview

Dr. Dwaipayan Mukherjee is a highly regarded figure in the field of Ear, Nose, and Throat (ENT) medicine in India. With a career spanning several decades, he has achieved excellence in both his professional practice and contributions to medical research and education. Currently serving as the Professor and Head of the Department of ENT at KPC Medical College & Hospital in Kolkata, India, Dr. Mukherjee's leadership in this prestigious institution underscores his expertise in the field. Simultaneously, he lends his valuable insights as a Visiting Senior Consultant at Manipal Hospitals in Kolkata, solidifying his influence within the medical community. Dr. Mukherjee's journey through the medical world has been marked by a series of remarkable achievements and leadership roles. He holds the position of President-Elect of the All India ENT Association, demonstrating his commitment to advancing the field at a national level. Furthermore, as a Trustee Board Member of the Association of Otolaryngologists of India West Bengal Branch (AOIWB), he plays a pivotal role in shaping the organization's objectives. His dedication to his profession is further exemplified by his prior role as the Associate Secretary of AOI and his

efficient management of AOI West Bengal as the Ex-Honorary Secretary. Beyond administrative roles, Dr. Mukherjee has organised and served as the Organizing Secretary for prestigious medical conferences, including AOICON 2017 and ISOCON 2019. These events have provided platforms for the exchange of cutting-edge medical knowledge and innovations. Dr. Mukherjee's passion for advancing medical knowledge is evident through his extensive research and paper presentations worldwide. His research excellence has been acknowledged with prestigious awards, such as the "Major K.K. Ghosh Award" for the best paper presentation and the "Prof Santanu Banerjee Award" for the best video presentation at prominent medical conferences. In addition to his research and leadership roles, Dr. Mukherjee is actively involved in mentoring and guiding students in the field of ENT, contributing to the future of medical excellence in India. In conclusion, Dr. Dwaipayan Mukherjee's career as an eminent ENT specialist, educator, and researcher has been defined by his leadership, research contributions, and unwavering dedication to advancing medical knowledge. His impact on the field of ENT medicine in India is profound and enduring, making him a respected and influential figure in the medical community. He is the best ENT Specialist in Kolkata.
