

DR. SAYAN CHAKRABORTY

Consultant - Infectious Disease

Qualification

MBBS | MD (Tropical Medicine) | DM (Infectious Diseases) (AIIMS, New Delhi) - Gold Medallist

Overview

Dr. Sayan Chakraborty is a highly esteemed Consultant in Infectious Diseases at Manipal Hospitals, Saltlake, Kolkata, bringing with him years of rich experience in the field. His academic journey is distinguished by several notable milestones — he completed his MBBS from NRS Medical College and Hospital, pursued his MD in Tropical Medicine from the West Bengal University of Health Sciences, and went on to achieve his DM in Infectious Diseases from AIIMS, New Delhi. Dr. Chakraborty's expertise spans a broad spectrum of infectious diseases involving different organs like the brain, lungs, heart, and kidney, with special interests in adult immunisation, travel medicine, systemic fungal infections, tuberculosis, HIV/AIDS, hepatitis B & C, transplant infectious diseases, and hospital infection prevention & control. As the in-charge of the Antimicrobial Stewardship Programme, he plays a pivotal role in promoting the judicious use of antimicrobials to combat antimicrobial resistance. He also specialises in preventing and treating infections in transplant recipients and providing tailored vaccination schedules for adults and travellers to mitigate health risks associated with specific destinations. He is also highly specialised in managing

infections in transplant recipients and provides customised vaccination schedules for adults and travellers, helping minimise risks associated with specific destinations. Dr. Chakraborty's professional excellence is further underscored by his active membership in prestigious organisations such as the Infectious Disease Society of America (IDSA), the Clinical Infectious Diseases Society, India (CIDS), the Society of Tropical Medicine and Infectious Disease in India (STMIDI), and the International Society for Human and Animal Mycology (ISHAM). He is also a gold medalist and has received several accolades for his dedication to patient care. Fluent in English, Bengali, and Hindi, Dr. Chakraborty ensures seamless communication and trust with his patients. Beyond clinical practice, he has contributed significantly to the medical community through publications in reputed national and international journals and participation in guideline development groups. At Manipal Hospitals, Saltlake, Dr. Sayan Chakraborty exemplifies excellence in Infectious Diseases, combining his vast knowledge, refined clinical skills, and compassionate care to deliver the highest standards of treatment and patient well-being.
