

DR. AMITABHA GHOSH

Consultant- General & Laparoscopic Surgery

Qualification

MBBS | MS (General Surgery) | FRCS (Edinburgh & Glasgow) | FMAS (Minimal Access Surgery)

Overview

Dr. Amitabha Ghosh is a highly respected Consultant General and Laparoscopic Surgeon, currently practising at Manipal Hospitals, Salt Lake, Kolkata. With over 31 years of medical experience, including 25 years as a specialist, he has built a distinguished career marked by surgical expertise and compassionate patient care. Dr. Ghosh completed his MBBS from the University of North Bengal, followed by an MS in General Surgery from Calcutta University. His clinical acumen and dedication have earned him recognition as one of the foremost laparoscopic surgeons in Salt Lake, Kolkata. He is a Fellow of the Royal College of Physicians and Surgeons of Glasgow as well as a Fellow of the Royal College of Surgeons of Edinburgh, prestigious affiliations that highlight his global standing in the medical community. Dr. Ghosh specialises in a wide range of procedures, including Incisional Hernias, Endoscopic Surgery, gall bladder (biliary) stone treatment, piles surgery, and Laparoscopic Hernial Repair. His proficiency in advanced surgical techniques ensures patients receive safe, effective, and minimally invasive treatment options. Fluent in English, Bengali, and Hindi, Dr. Ghosh connects with patients across diverse backgrounds,

fostering clear communication and comfort throughout the treatment process. His multilingual skills, combined with his surgical excellence, make him a trusted name in general and laparoscopic surgery in Kolkata. In addition to his extensive clinical practice, Dr. Amitabha Ghosh is deeply committed to teaching, training, and mentoring young surgeons, sharing his knowledge to advance the field of minimally invasive surgery. Over the years, he has actively participated in numerous workshops, conferences, and academic forums, contributing valuable insights and updates on surgical innovations. Patients value his approachable nature, thorough explanations, and the personal attention he provides during every stage of treatment. His philosophy of care goes beyond surgery—he believes in holistic healing, long-term patient well-being, and ethical medical practice, which have earned him immense trust and respect within the community.
