

DR. SURANJAN MUKHERJEE

Consultant - Pulmonology

Qualification

MBBS | MD (General Medicine) | MRCP (UK) | FRCP (Lon) | FRCP (Glas) | FCCP | CCT (Pulmonology)

Overview

Dr. Suranjan Mukherjee is a highly respected Consultant Pulmonologist based in Manipal Hospital Saltlake, Kolkata, with an illustrious career spanning over 32 years, including 25 years of specialisation in his field. He completed his MBBS and MD in General Medicine from Kolkata University, followed by advanced specialist training in Respiratory and General Medicine in the UK. Dr. Mukherjee earned membership from the esteemed Royal College of Physicians (RCP) and received his Certificate of Completion of Training (CCT) in Respiratory and General Medicine, securing a place on the specialist register of the General Medical Council (GMC). Post-training, he served as a Consultant at Stafford Hospital and as a Clinical Lecturer at the renowned Keele University. His academic and research contributions include numerous publications in reputed national and international journals. As a reviewer for the British Medical Journal (BMJ), he plays a vital role in upholding high standards in medical literature. Dr. Mukherjee is a Fellow of the Royal College of Physicians and Surgeons (FRCS) in Glasgow, the Royal College of Physicians (FRCP) in London, and the American College of Chest Physicians (FCCP). He is also an active

member of the American Thoracic Society (ATS), the Indian Chest Society (ICS), and the European Respiratory Society (ERS). During his tenure in the UK, he mentored several medical students from institutions such as Newcastle University and St. George's Medical School. His three-decade-long professional journey reflects his dedication, earning him widespread admiration in the medical fraternity. Dr. Mukherjee's core expertise includes Respiratory and General Medicine, particularly in managing interstitial lung diseases, pulmonary vascular disorders, pleural diseases, lung cancer, and sleep disorders. He is adept at performing advanced diagnostic and therapeutic procedures like Non-Invasive Ventilation, Bronchoscopy, Transbronchial Lung Biopsy, and Transbronchial Needle Aspiration. Fluent in English, Bengali, and Hindi, Dr. Mukherjee ensures clear communication, compassion, and trust in every patient interaction, consistently delivering exceptional and comprehensive respiratory care.
