

DR. ALOK BASU

Obstetrics & Gynaecology Specialist

Qualification

MBBS | MRCOG

Overview

Dr. Alok Basu is a distinguished specialist in the Department of Obstetrics & Gynaecology at Manipal Hospitals, Saltlake, Kolkata. With an illustrious career spanning over 35 years, he is widely recognised for his expertise and contributions to women's healthcare. He completed his MBBS from Calcutta Medical College and subsequently earned a prestigious fellowship from the Royal College of Obstetricians and Gynaecologists (RCOG), London. He is regarded as one of the leading gynaecologists in Kolkata. Dr. Basu's areas of proficiency include natural childbirth, minimally invasive laparoscopic and hysteroscopic surgeries, management of gynaecological disorders, treatment of female hormonal imbalances, and comprehensive care for menopause-related concerns with Hormone Therapy. His distinguished career has earned him memberships in several respected organisations such as the Royal College of Obstetricians and Gynaecologists, the Bengal Obstetric & Gynaecological Society (BOGS), the Indian Menopause Society (IMS), the Endometriosis Society of India (ESI) and the Indian Medical Association (IMA). He has previously chaired the RCOG and currently serves as a committee member of

BOGS, reflecting his leadership and long-standing dedication to the field. Throughout his career, Dr. Basu has collaborated extensively within the medical community and has participated as both delegate and presenter at numerous national and international conferences. He also contributes as faculty for various RCOG and FOGSI training programs, actively guiding and mentoring future professionals in Obstetrics and Gynaecology. Known for his compassionate and empathetic approach, Dr. Basu supports individuals facing challenges with conception, counsels newly married couples and families, and plays an integral role in promoting women's health awareness. His commitment extends to improving access to premarital, pre-pregnancy and contraceptive counselling, ensuring informed reproductive choices and holistic family planning. He remains dedicated to advancing clinical excellence and delivering personalised, patient-focused care that prioritises comfort, safety, and long-term wellbeing for every patients he treats with utmost commitment.
