

DR. SOHAM MANDAL

Consultant - Orthopaedics & Joint Replacement Surgeon

Qualification

MBBS | DNB (Orthopaedics) | MNAMS

Overview

Dr. Soham Mandal is a respected and highly skilled Consultant in the Department of Orthopaedics and Joint Replacement at Manipal Hospitals, Salt Lake. With an overall clinical experience of more than 12 years, including 6 years of specialised practice in orthopaedics, he has established himself as one of the leading orthopaedic surgeons in Kolkata. His strong academic foundation began at the prestigious Medical College, Calcutta, where he completed his MBBS. He further advanced his expertise by obtaining the Diplomate of National Board (DNB) in Orthopaedics and Orthopaedic Surgery. To broaden his clinical acumen and exposure to global surgical practices, Dr. Mandal pursued multiple advanced fellowships across internationally recognised centres. These include a Fellowship in Arthroplasty and Adult Reconstruction at the National University Hospital (NUH), Singapore; a Fellowship in Arthroscopy and Sports Surgery from Hanover, Germany; and an additional fellowship awarded by the West Bengal Orthopaedic Association (WBOA). These rich experiences have enabled him to refine his surgical skills and adopt cutting-edge, minimally invasive techniques for improved patient outcomes. Dr. Mandal’s core areas of

expertise encompass Shoulder and Hip Replacement Surgery, Arthroscopy, Arthroplasty, Sports Injury Management, Orthopaedic Trauma and Fracture Care, Paediatric Fractures, and Hand Injury Management. He is widely recognised for his proficiency in performing joint replacement surgeries with precision and his ability to manage complex musculoskeletal conditions using advanced diagnostic and therapeutic interventions. His patient-centric approach and surgical excellence have earned him the reputation of being among the most trusted orthopaedic specialists in the region. Beyond clinical practice, Dr. Mandal has made meaningful contributions to orthopaedic research. He has authored several papers in reputed peer-reviewed journals and has been actively involved in national and international conferences, where his presentations have received multiple accolades. His affiliations with esteemed organisations such as the Indian Orthopaedic Association (IOA), the Kolkata Arthroscopy and Sports Surgery Society (KASS), and the West Bengal Arthroplasty Society (WBAS) help him stay aligned with advancements in the field. He also serves as an executive committee member of the WBOA, reflecting his leadership and dedication to the profession. Fluent in Hindi, English, and Bengali, Dr. Mandal ensures clear communication with patients, fostering trust and ensuring comprehensive, compassionate, and collaborative orthopaedic care at Manipal Hospital Salt Lake.
