

DR. AJITABH MISHRA

Consultant - Orthopaedic Surgeon

Qualification

MD Physician (MBBS) | MS (Ortho) | M.Ch (Orth) Dundee, UK

Overview

Dr. Mishra is a highly experienced Orthopaedic surgeon currently working at Manipal Hospitals, Salt Lake. With over ten years of expertise in trauma and joint replacement surgery, he is a skilled and dedicated surgeon who brings a wealth of knowledge to his field. Having completed his medical education, Dr. Mishra pursued further specialisation in Orthopaedic surgery. He then pursued an MCh in Orthopaedics from Ninewells Hospital, University of Dundee, UK. In his 10 years of experience, Dr. Mishra worked closely with renowned orthopaedic specialists and acquired proficiency in advanced surgical techniques. He has also participated in projects and contributed to scientific publications and presentations which adds to his research experience. He has acquired extensive hands-on experience in a variety of orthopaedic surgical procedures, including trauma surgery, joint replacements, and arthroscopy. His practical skills are complemented by his ability to work efficiently within a team setting, making him a valuable asset in multidisciplinary medical environments. Known for his collaborative approach, he effectively partners with various healthcare professionals to develop comprehensive treatment

plans tailored to individual patient needs. This combination of technical expertise and teamwork ensures high-quality patient care and optimised surgical outcomes. His proficiency in managing complex cases and his dedication to patient-centred care highlight his commitment to excellence in orthopaedics. With a robust skill set in both surgical techniques and team dynamics, he continues to enhance his contributions to the field, fostering better health outcomes and advancing orthopaedic practices. Dr. Mishra has received certifications from the West Bengal Arthroplasty Society, AO Foundation and Indian Arthroplasty Associations. Dr. Mishra's vast knowledge of orthopaedic surgery and advanced techniques allows him to provide his patients with the most effective treatments. He is called the best orthopedic surgeon in Kolkata for his understanding of complex trauma management enables him to handle cases with precision and confidence, ensuring optimal recovery outcomes for his patients. Dr. Mishra has performed numerous hip and knee replacements along with revision arthroplasty of the hip and knee.
