

DR. ARNAB BERA

Consultant - Pulmonology

Qualification

MBBS | MD (Pulmonary Medicine) | DNB (Pulmonary Medicine) | Fellow in Critical Care Medicine

Overview

Dr. Arnab Bera is an eminent Pulmonologist based in Kolkata, recognised for his expertise and dedication in the field of respiratory medicine. Holding multiple advanced qualifications including MBBS, MD (Respiratory Medicine), DNB (Pulmonary Medicine), and FNB (Critical Care Medicine), Dr. Bera's academic background is both extensive and impressive. Over the years, he has built a stellar reputation, known for his compassionate approach and proficiency in handling complex pulmonary cases using cutting-edge technology. Dr. Bera's practice is distinguished not only by his medical acumen but also by his patient-centric approach. He believes in treating his patients holistically, combining medical treatment with friendly and supportive interactions. This dual approach helps in ensuring that his patients are not only physically healed but also emotionally supported, significantly enhancing their overall well-being. Specialising in a wide range of respiratory disorders, Dr. Bera's expertise includes the management and treatment of Asthma, respiratory allergies, immunology, Bronchoscopy, Interventional Pulmonology, Chronic Obstructive Pulmonary Disease (COPD), Interstitial Lung Disease (ILD), Pleural

Diseases, and various other chest diseases. His comprehensive knowledge and skill in these areas have made him a trusted name among patients and peers alike. Dr. Bera has been associated with some of the most prestigious hospitals in Kolkata, where he has consistently demonstrated his ability to manage critical cases effectively. His proficiency in Respiratory Critical Care and Interventional Pulmonology is particularly notable, making him a go-to specialist for severe and complicated cases. Additionally, his expertise extends to Sleep Medicine and Allergy, areas where he has achieved significant success in improving patient outcomes. Dr. Bera's professional affiliations further underscore his standing in the medical community. He is an active member of several esteemed organisations, including the Association of Chest Physicians (WB), Indian Chest Society, National College of Chest Physicians, Chest Council of India, Indian Society of Critical Care Medicine, European Respiratory Society, and the American Thoracic Society. These memberships not only reflect his commitment to staying updated with the latest developments in his field but also his dedication to contributing to the broader medical community. He is the best respiratory medicine doctor in Kolkata, and his involvement with these organisations provides him with a platform to collaborate with other leading experts, share knowledge, and continually refine his skills. This continuous professional development ensures that Dr. Bera remains at the forefront of pulmonology, offering his patients the most advanced and effective treatments available. In summary, Dr. Arnab Bera is a highly respected Pulmonologist in Kolkata, renowned for his extensive expertise, compassionate care, and commitment to using the latest medical technologies. His holistic approach to patient care and his specialisation in a broad spectrum of respiratory disorders make him one of the most sought-after pulmonologists in the region. Whether managing routine respiratory issues or tackling the most challenging cases, Dr. Bera's dedication to his patients and his field is evident in every aspect of his practice.
