

**DR. POOJA AGARWAL**

Consultant- Oncology Surgical (Specialized in Breast Surgery)

**Qualification**

MBBS | MS | General Surgery | Fellowship in Surgical Oncology

## Overview

Dr. Pooja Agarwal, Consultant in the Department of Surgical Oncology at Manipal Hospitals, Saltlake, is a distinguished breast Onco-surgeon with specialized expertise in Breast Oncoplasty and Advanced Breast Cancer management. With a steadfast commitment to excellence in cancer care, she brings a wealth of experience and clinical acumen to the field of surgical oncology. Dr. Agarwal completed her MBBS in 2009, followed by an MS in General Surgery in 2015, and a Fellowship in Surgical Oncology in 2019. With over a decade of experience, she has established herself as a leader in breast cancer surgery and patient-centred care. Her surgical proficiency encompasses a wide range of advanced procedures, including Sentinel Lymph Node Biopsy (SLNB), breast conservation surgery, complex reconstructive techniques, and minimally invasive interventions. Her precision-driven approach, combined with a deep commitment to individualized patient care, ensures optimal treatment outcomes and enhanced quality of life for her patients. She is the best Oncology Surgoen in Saltlake. Dr. Agarwal is actively involved in clinical research and academic contributions. She has presented her work at renowned national and

international conferences such as FHNO Mumbai (2017), ICC Bangalore (2017), ABSICON New Delhi (2018), ICON Kolkata (2019), and the "Navigating Clinical Conundrums in Breast Cancer" conference in Mumbai (2019). Her presentations have highlighted innovative surgical techniques and contributed to the advancement of evidence-based oncology. In addition to her clinical practice, she has undergone specialized training in Breast Oncoplasty workshops and biostatistics, reinforcing her commitment to continuous learning and professional growth. Dr. Agarwal integrates the latest medical advancements into her practice, emphasizing post-operative rehabilitation, survivorship programs, and preventive oncology. She collaborates with multidisciplinary teams to develop personalized treatment plans and is deeply involved in community outreach programs aimed at early detection, awareness, and screening. Dr. Agarwal is dedicated to empowering patients and driving progress in breast cancer care through compassionate, holistic, and innovative approaches.
