

DR. SMITA GHATAK

Consultant - Obstetrics and Gynaecology

Qualification

MBBS | DGO | DNB

Overview

Dr. Smita Ghatak is a highly regarded and accomplished Gynaecology & Obstetrics consultant, renowned for her exceptional skills and invaluable contributions to the field of women’s health. With a comprehensive educational background, vast surgical experience, and prestigious affiliations, Dr. Ghatak has earned a reputation as a trusted and compassionate medical professional in Kolkata. She is the best gynaecology doctor in Saltlake, Kolkata. Education has been a cornerstone of Dr. Ghatak's journey. She began by acquiring an MBBS degree, establishing a strong foundation in medical sciences. Motivated by a deep passion for women's health, she pursued a DGO (Diploma in Gynaecology & Obstetrics), allowing her to delve deeply into the nuances of gynaecological care. Her commitment to continuous learning and professional advancement led her to earn the prestigious DNB qualification, further reinforcing her dedication and expertise. Her clinical interests and expertise span a wide range of gynaecological conditions. She is especially skilled in managing complicated pregnancies, offering specialised care from diagnosis to delivery. Her proficiency extends to gynaecological endocrinology,

antenatal care, infertility management, and postmenopausal gynaecology. She is highly experienced in both caesarean and vaginal deliveries, ensuring safe and personalized birthing experiences for her patients. Dr. Smita Ghatak's profile is a testament to her dedication, compassion, and commitment to excellence. Her career trajectory—from a solid educational foundation to her current stature as one of Kolkata's most respected Gynaecology & Obstetrics consultants—highlights her relentless pursuit of medical excellence. Her compassionate approach, clinical acumen, and ability to handle complex cases make her a preferred choice for women seeking comprehensive and empathetic care. Dr. Smita Ghatak stands out for her compassionate patient care and clinical excellence in Gynaecology & Obstetrics. With special expertise in managing high-risk pregnancies, infertility, and postmenopausal issues, she ensures personalised and evidence-based treatment. Her vast experience in caesarean and vaginal deliveries, along with a strong academic background, makes her one of the most trusted names in women's healthcare in Kolkata, admired by both patients and peers.
