

DR. HIMADRI KOLEY

Consultant - Nephrology & Transplant Physician

Qualification

MBBS | MD (General Medicine) | DM (Nephrology)

Overview

Dr. Himadri Koley is a highly accomplished Nephrologist at Manipal Hospitals, Saltlake, known for his strong academic background and expertise in the diagnosis and management of a wide range of kidney disorders. He completed his MBBS and MD in General Medicine from the Medical College, Kolkata, one of the oldest and most prestigious institutions in India. To further advance his specialisation, he pursued a DM in Nephrology from the All India Institute of Medical Sciences (AIIMS), Rishikesh, a premier centre for medical excellence. Dr. Koley's key areas of expertise include the management of acute kidney injury (AKI), glomerulonephritis, chronic kidney disease (CKD), and post-transplant complications. His treatment philosophy combines clinical precision, evidence-based medicine, and compassionate patient care, ensuring holistic outcomes for his patients. In addition to his clinical work, Dr. Koley has made valuable contributions to medical education and academic forums that sets him apart from the rest in the clinical faculty. He has mentored nephrology trainees and actively participated as a faculty member in key conferences, including the Indian Society of Nephrology East Zone Conference (ISNEZCON 2024) and HOPECON

2024 & 2025, highlighting his dedication to advancing knowledge in the field. Dr. Koley has also contributed significantly to nephrology research, with publications in leading peer-reviewed journals such as the International Journal of Research in Medical Sciences and Kidney International Reports. His research encompasses original studies and reviews on catheter-related bloodstream infections, acute kidney injury in various age groups, and comparative outcomes in patients with diabetic versus non-diabetic kidney disease. Fluent in English, Bengali, and Hindi, Dr. Koley communicates effectively with patients from diverse cultural and linguistic backgrounds. Known for his approachable demeanour and clinical diligence, he is committed to delivering personalised and advanced kidney care. With his expertise, Dr. Himadri Koley continues to strengthen Manipal Hospitals, Saltlake's reputation for excellence in nephrology and renal transplant care.
