

DR. SANKAR DASMAHAPATRA

Consultant - Obstetrician and Gynaecologist

Qualification

MBBS | DGO | MS (O&G)

Overview

Dr. Sankar Das Mahapatra is a highly reputed Obstetrician and Gynaecologist from Kolkata, known for his extensive expertise in advanced laparoscopic surgeries, high-risk pregnancy care, and infertility management. With more than three decades of clinical experience, he has established himself as one of the leading gynecologic laparoscopic surgeons in Eastern India, consistently delivering successful clinical outcomes through his skill, precision, and patient-centric approach. Dr. Mahapatra completed his MBBS and MD in Obstetrics & Gynaecology from premier medical institutions, followed by specialized training in minimally invasive gynecologic surgery. His keen interest in advanced reproductive techniques and laparoscopic innovation has made him a preferred specialist for complex cases that require high surgical expertise. Over the years, he has performed thousands of laparoscopic procedures, including hysterectomy, myomectomy, ovarian cystectomy, and endometriosis surgery, earning wide recognition for his surgical proficiency and low complication rates. A strong advocate of evidence-based medicine, Dr. Mahapatra keeps himself updated with global advancements in

women’s health, fertility science, and minimally invasive techniques. His empathetic nature, clear communication, and ability to simplify complex medical conditions make patients feel supported and well-informed throughout their treatment journey. Dr. Mahapatra is also highly experienced in managing high-risk pregnancies, including complications like gestational diabetes, hypertension, placenta previa, recurrent pregnancy loss, and pre-term labour. With a meticulous approach and continuous monitoring protocols, he ensures both maternal and fetal well-being through every stage of pregnancy. In addition to his clinical work, he actively participates in training young gynecologists, conducting workshops on laparoscopic surgery and infertility management. His contributions have significantly shaped the landscape of gynecologic care in Kolkata, making him a trusted name among patients seeking advanced women’s health solutions. With compassionate care, strong diagnostic acumen, and unparalleled surgical experience, Dr. Sankar Das Mahapatra continues to be a distinguished leader in the field of Obstetrics & Gynaecology.
