

DR. DIPAK KUMAR RAY

Consultant – Rheumatology

Qualification

MBBS | MD (General Medicine) | MRCP (UK) | M.Sc (Clinical Rheumatology) (UK) | FRCP | CCST (Rheumatology)

Overview

Dr. Dipak Kumar Ray is a distinguished consultant in the Department of Rheumatology at Manipal Hospitals, Saltlake widely recognised for his expertise in diagnosing and treating complex rheumatological disorders. Backed by an exceptional academic foundation, he completed his MBBS and MD in General Medicine before pursuing MRCP (UK), followed by an MSc in Clinical Rheumatology from Manchester University, UK. He further earned the prestigious FRCP from Edinburgh, reflecting his commitment to excellence in the field of medicine. With over two decades of rich clinical experience, Dr. Ray has worked with several reputed healthcare institutions across India and the United Kingdom. His extensive international exposure includes specialised rheumatology training through the SpR Rotation in Rheumatology at the South West Peninsula Postgraduate Deanery in the UK, which led to the achievement of CCST certification in Rheumatology. During his tenure abroad, he also served as a Consultant Rheumatologist at renowned institutions such as Queen’s Hospital and North Tees and Hartlepool NHS Trust, UK. Dr. Ray has developed expertise in managing a wide range of rheumatological

conditions, including inflammatory arthritis, osteoporosis, connective tissue diseases, autoimmune disorders, and other chronic musculoskeletal conditions. His evidence-based treatment approach, combined with compassionate patient care, has earned him the trust of patients seeking advanced rheumatologic management. Apart from his clinical practice, Dr. Dipak Kumar Ray remains actively engaged in medical research, particularly in the field of rheumatologic disorders. His contribution to academic and clinical advancements highlights his dedication to improving patient outcomes and advancing the specialty. Known for his patient-centric approach, clear communication, and holistic treatment philosophy, Dr. Ray continues to be a trusted name in rheumatology and advanced arthritis care. In addition to his clinical and academic achievements, Dr. Dipak Kumar Ray is known for staying updated with the latest advancements in rheumatology and personalised treatment protocols. He strongly believes in early diagnosis and preventive care to improve long-term patient outcomes. His empathetic approach, coupled with ethical medical practice and multidisciplinary collaboration, enables patients to receive comprehensive care tailored to their individual health needs and lifestyle requirements.
