

DR. SOUMYA KANTI DATTA

Consultant - Dermatology

Qualification

MBBS | MD (DVL) | FAM (Germany) | FAAAM (USA) | RCPI (Ireland) | RCPA (Australia) | Fellowship In Cosmetic Dermatology & Dermato Surgery (Kolkata), Fellowship In Lasers & Aesthetic Medicine

Overview

Dr. Soumya Kanti Datta is a highly qualified and dedicated dermatologist with extensive academic training, associated at Manipal Hospital Salt Lake with high clinical expertise and advanced specialisation in aesthetic dermatology and dermatosurgery. He completed his MBBS at Kasturba Medical College, Manipal, Karnataka, followed by an MD in Dermatology, Venereology and Leprosy from Sri Ramachandra Institute of Higher Education and Research (SRMC), Chennai. He further strengthened his clinical experience by completing two years of senior residency at NRS Medical College and Hospital, Kolkata. Dr. Datta has pursued multiple international fellowships and diploma programmes in aesthetic medicine, injectables, lasers, and clinical dermatology under renowned institutions including the American Academy of Aesthetic Medicine (AAAM), Royal College of Physicians Ireland, Australian Skin Institute (ASI Australia), and Wizderm College of Dermatology, Kolkata. He is also double-certified in advanced injector and cadaveric dissection training, reflecting his strong expertise in facial aesthetics and regenerative dermatology.

Professionally, he has worked as a visiting consultant across several corporate and private hospitals in Kolkata, handling a wide spectrum of dermatological conditions and emergencies. He possesses advanced training in modern aesthetic and cosmetic procedures, including botulinum toxin (Botox), dermal fillers, skin boosters, lasers, radiofrequency procedures, PRP, dermabrasion, and other energy-based technologies. Academically, Dr. Datta has contributed significantly through publications, case reports, presentations, and conference participation at national and international platforms. His research work includes studies on Crohn's disease, anogenital warts, chronic alcohol-related skin changes, and rare dermatological syndromes. He has also received recognition for poster presentations and dermatopathology quizzes during various dermatology conferences and workshops. Apart from his clinical and academic achievements, Dr. Datta actively participates in continuous medical education programmes, workshops, and international conferences to stay updated with the latest developments in dermatology, aesthetic medicine, and dermatosurgery. He has completed specialised training in dermoscopy, dermatopathology, psychodermatology, paediatric dermatology, leprosy management, and pigmentary disorders, further enhancing his multidisciplinary expertise. Alongside his medical accomplishments, Dr. Datta is known for his strong communication skills, patient-centric approach, diagnostic acumen, and commitment to delivering evidence-based, ethical, and personalised treatment solutions. His passion for skincare, aesthetics, and holistic patient care continues to make him a trusted name in the field of dermatology and cosmetic medicine.
