

## DR. SOUMYA YETURI

Sr Consultant - Internal Medicine

### Qualification

MBBS | MD (Internal Medicine)

### Overview

Dr. Soumya Yeturi, a well-known Internal medicine consultant in Sarjapur Road, is a respected healthcare practitioner with vast experience in the treatment of a wide range of medical disorders. She is renowned for her excellent abilities in treating thyroid issues, obesity, diabetes, hypertension, and infectious illnesses. As a trusted Internal Medicine Doctor at the prestigious Sarjapur Road Hospital in Bangalore, Dr. Yeturi has garnered a reputation for delivering holistic care to her patients. Dr. Soumya Yeturi, who has a distinguished academic background and specialises in internal medicine, offers a depth of expertise to her practice. She adheres scrupulously to international and domestic guidelines for patient treatment since she firmly believes in the ideals of evidence-based medicine. Dr. Yeturi's devotion to practising medicine that is founded on reliable scientific research is demonstrated by her strong ethical principles and passion for giving patients the best treatment possible. Dr. Soumya Yeturi is fluent in English, Hindi, and Telugu and has strong communication skills that help her provide patients and their families with sound advice. Her compassionate approach fosters trust and encourages patients to actively participate in their healthcare journey. Dr. Yeturi's ability to establish a strong rapport with her patients has been instrumental in promoting regular follow-ups and long-term treatment adherence. In addition to her expertise in Internal Medicine, Dr. Soumya Yeturi places great emphasis on preventive care. She specialises in cancer prevention, particularly through the use of pap smears and breast examinations. Dr. Yeturi has been instrumental in educating women about the value of breast self-examination as the first line of defence against breast cancer. Her devotion to the general well-being of her patients is underscored by her focus on promoting early identification and preventive actions. Dr. Soumya Yeturi offers a comprehensive range of services aimed at promoting health and managing various medical conditions. From balance exercises to typhoid fever treatment, from arthritis management to pre and post-delivery care, Dr. Yeturi's expertise encompasses a wide spectrum of healthcare needs. Her patients benefit from her profound understanding of disorders of puberty, her skill in managing infectious diseases, and her specialised approach to treating female sexual problems. Dr. Soumya Yeturi epitomises the highest levels of medical education and professional growth. She received her MBBS from Kurnool Medical College in 1997 and became a Diplomate of the American Board of Internal Medicine in 2012. Her commitment to lifelong learning and being current with industry developments guarantees that her patients receive the most cutting-edge and efficient therapies available. In conclusion, Dr. Soumya Yeturi's remarkable reputation, expertise, and patient-centric approach make her an exceptional senior consultant in Internal Medicine. Her commitment to evidence-based medicine, preventive care, and compassionate patient communication sets her apart in the field. By choosing Dr. Soumya Yeturi, patients can be confident that they are receiving comprehensive, personalised care from a highly respected healthcare professional.
