

## DR. RAHUL S KANAKA

Consultant Surgical Oncology

### Qualification

MBBS | MS-GS | MCh - SURGICAL ONCOLOGY

### Overview

Dr. Rahul S Kanaka is a highly trained and talented Surgical Oncology Consultant well-known in the industry. He has established himself as a recognised surgical oncologist due to his impressive educational background and significant experience. Dr. Rahul completed his MBBS from a reputed college in Gulbarga, followed by a Master's degree in General Surgery at the renowned Karnataka Medical College, Hubli. He pursued his MCh in Surgical Oncology from Chennai's renowned Adyar Cancer Institute. In addition to his specialised training, Dr. Rahul has also acquired expertise in robotic surgery through training in Hyderabad, where he was recognised as the Robotic Scholar in 2016. Furthermore, he received training in flap reconstruction & vascular surgery from the esteemed Amrita Institute of Medical Sciences in Cochin. Dr. Rahul succeeded as an excellent student throughout his academic career, exhibiting his devotion and love for the speciality of surgical oncology. He has made significant contributions to the medical community and gained valuable expertise as a consultant in surgical cancer at prestigious facilities such as KIMS Hospital in Hyderabad and Global Hospital in Bangalore. He is currently a respected part of the Sparsh family as a Consultant in Surgical Oncology. For the same reason, he is considered the best surgical oncologist in Sarjapur Road, Bangalore. Dr. Rahul's expertise lies in performing meticulous oncological resections, including complex procedures such as limb-sparing surgeries, Total Peritonectomy with HIPEC, Radical Esophagectomy, Craniofacial Resections, Radical Gastrectomy, Total Laryngectomy, Whipple's procedure, Pelvic Exenterations, Radical Mastectomy, Abdominoperineal Resections, and lung resections, among others. His areas of interest encompass Ortho-oncology, Head and Neck Surgeries and Reconstruction, Robotic surgery, and Oncoplastic Surgery. Dr. Rahul has been asked to lecture as a faculty member at numerous conferences, where he offers his thoughts and contributes to the growth of surgical oncology. He is an active member of major medical groups such as the Indian Association of Surgical Oncology (IASO) and the Association of Surgeons of India (ASI). Dr. Rahul speaks English, Hindi, Kannada, Telugu, Tamil, and Marathi fluently, allowing him to connect with and care for a varied patient group successfully. His passion and achievements in the subject have been recognised with awards such as the Robotic Scholar 2016. In addition to his clinical work, Dr. Rahul has made notable contributions to medical literature. He has published papers on various topics, including "Parotid Metastasis from Rectal Primary," "Inflammatory Pseudotumor of Urinary Bladder," and "Contralateral Adrenal Metastasis in RCC." He has also participated in discussions on "Breast Reconstruction: A Medical Marvel for Breast Cancer Survivors?" as part of "THE RIGHT DOSE Series" alongside Dr. Ashok B C. With his exceptional skills, extensive experience, and dedication to the field, Dr. Rahul S Kanaka continues to impact surgical oncology significantly, providing compassionate care and innovative treatments to his patients.
