

DR. HARSHA R

Consultant - Urology, Renal Transplant, Laparoscopic and Robotic Surgery

Qualification

MBBS | MS | Mch(Urology) | DNB (Urology)

Overview

Dr. Harsha R is a highly accomplished urologist, andrologist, and renal transplant surgeon based in Bangalore, currently serving as a Consultant - Urology, Renal Transplant, Laparoscopic and Robotic Surgery at Manipal Hospital Sarjapur Road. With extensive experience in advanced surgical procedures and male reproductive health, Dr. Harsha is renowned for his patient-focused approach, precision, and dedication to delivering the best possible care to his patients. He is the best urologist in Sarjapur Road, Bangalore. Dr. Harsha’s academic journey underscores his commitment to excellence. He completed his MBBS from Rajarajeshwari Medical College & Hospital, Bengaluru, and went on to earn an MS in General Surgery from SDUAHER, Kolar, where he was awarded a gold medal for his outstanding academic performance. Further specialising in urology, he completed an M.Ch. in Urology from Vydehi Institute of Medical Sciences, Bengaluru, graduating as a university rank holder, and subsequently pursued a DNB (Diplomate of National Board) in Urology, further honing his expertise in the field. Dr. Harsha’s skills span a wide range of advanced procedures. He is proficient in endourology, including HoLEP for

prostate conditions and endopyelotomies, as well as laparoscopic procedures such as varicocelectomy and cyst deroofing. In the field of reconstructive urology, he specialises in urethroplasty and complex genitourinary reconstruction. Dr. Harsha also brings extensive experience in renal transplantation, having performed intricate live donor and cadaveric transplants with exceptional outcomes. His expertise in advanced andrology includes procedures like TESA, PESA, and micro-TESE to address male infertility challenges. Throughout his career, Dr. Harsha has held prominent roles, and he has successfully managed complex urological cases and contributed to patient education and awareness. His surgical acumen is matched by his passion for innovation and research, keeping him at the forefront of advancements in urology and renal transplantation. Dr. Harsha actively engages with his patients and families, taking the time to explain complex medical conditions and ensuring they are informed and comfortable throughout the treatment process. Fluent in English, Kannada, Telugu, and Hindi, he connects seamlessly with patients from diverse linguistic and cultural backgrounds, fostering trust and confidence. Dedicated to improving outcomes and enhancing the quality of life for his patients, Dr. Harsha R remains a trusted name in the fields of urology, andrology, and renal transplantation, continually setting benchmarks for excellence in patient care.
