

DR. RIA EMMANUEL

Consultant - ENT & Head Neck Surgery

Qualification

MBBS | DNB(ENT) | MNAMS

Overview

Dr. Ria Emmanuel currently works as a Consultant ENT & Head and neck Surgeon at Manipal Hospitals Sarjapur Road. In addition, she is a fellow at the World Skull Base Society and holds a fellowship diploma in lateral skull base surgery. She has also completed specialised training in Allergy and Immunotherapy and is competent in performing Allergy testing and administration of Immunotherapy. Being the recipient of a Diploma in Paediatric Sleep medicine, she has a special interest in Paediatric Sleep, and airway disorders and performs corrective surgeries for paediatric and adult sleep apnoea. She has completed 3 years of senior residency at Manipal Hospitals Old Airport Road, Bangalore, which allowed her to independently manage surgeries and fine-tune her patient management skills. She holds a DNB in Otorhinolaryngology from the National Board of Education, New Delhi. She has completed her MBBS from Government Medical College, Kottayam, Kerala. She is known among her patients for her refreshingly courteous and professional approach. She is empathetic, spends time in patient education, and at the same time remains focused and follows a methodical approach to clinical diagnosis. She is also

dedicated to maintaining a healthy, active lifestyle and finds great joy in exploring the great outdoors. For her unwavering dedication towards patient-care, she is acknowledged as a good ENT specialist in Bangalore.
