

## **DR. SUJJALAXMI BHARALI**

Associate Consultant- Accident and Emergency Care

### **Qualification**

MBBS | MRCEM (UK) | FICM | Diploma Emergency Medicine (RCGP, UK)

### **Overview**

Dr. Sujjalaxmi Bharali is a highly experienced and internationally trained Emergency Medicine specialist, currently serving as an Associate Consultant- Accident and Emergency Care at Manipal Hospital, Sarjapur Road, Bengaluru. She holds the prestigious Membership of the Royal College of Emergency Medicine (MRCEM, UK) and a Diploma in Emergency Medicine from RCGP (UK), further complemented by a Fellowship in Intensive Care Medicine (FICM). Her expertise is recognized internationally, as she serves as an MRCEM Overseas examiner for the Royal College of Emergency Medicine. Dr. Bharali brings extensive experience in managing a wide range of emergencies, including trauma, cardiac, neurological, pediatric, and geriatric cases. She is highly regarded for her calm, protocol-driven, and compassionate approach to high-stress situations. Her procedural skills and clinical decision-making are underpinned by her global training and up-to-date medical knowledge. She has been instrumental in streamlining emergency protocols at Manipal Hospital Sarjapur, significantly enhancing the department's response time and patient outcomes through the implementation of initiatives like Code STEMI,

Code Stroke, and Code Polytrauma. Her special interests include Emergency Resuscitation & Trauma Management, Emergency Protocol Development (STEMI, Stroke, Polytrauma), Critical Care Integration in the Emergency Department (ED), Point-of-Care Ultrasound (POCUS), Medical Education & Academic Training, and Healthcare Operations & Quality Metrics. She is also a proud member of the Royal College of Emergency Medicine (RCEM, UK), the Society of Emergency Medicine India (SEMI), and the Indian Society of Critical Care Medicine (ISCCM).
