

DR. MOHAMMED SADIQ

Senior Consultant - Ophthalmology, Cataract and Vitreo Retinal Surgeon

Qualification

MBBS | MS (Ophthal) | F.V.R.S | M.B.H.M

Overview

Dr. Md Sadiq is a highly experienced Vitreo-Retinal Surgeon with over 19 years of dedicated service in ophthalmology. He began his medical education at MS Ramaiah Medical College and Dr. Ambedkar Medical College, and subsequently completed Advanced Retinal Surgical Fellowship Training at Bangalore Medical College, Minto Regional Institute of Ophthalmology. Following his training, he served as a Senior Resident at St. John's Medical College and later assumed the role of Head of the Department of Ophthalmology and Retina at Gunam Super Speciality Hospital, Hosur. His clinical expertise encompasses a broad range of procedures, including vitreo-retinal surgery, management of ocular trauma, secondary IOL implantation, vitrectomy for diabetic tractional detachment, macular hole surgery, and cataract surgery using phacoemulsification with foldable intraocular lenses. In addition, he is actively involved in the screening and treatment of Retinopathy of Prematurity (ROP) in premature babies, reflecting his commitment to preventing childhood blindness. Beyond his clinical practice, Dr. Sadiq has contributed to the medical literature through publications in national and international journals on topics such as

diabetic retinopathy, macular thickness assessment, ocular trauma, and retinal detachment. With his comprehensive training, surgical excellence, and leadership experience, Dr. Md Sadiq stands as a distinguished and valuable contributor to the field of ophthalmology.

Fellowship & Membership

- Fellowship in Vitreo-Retinal Surgery

Field of Expertise

- Diabetic Tractional Detachment
- Macular Hole
- Secondary SFIOL Implants
- Cataract (Phacoemulsification MICS with IOL)

Languages Spoken

- English
- Hindi
- Kannada
