

DR. ABHIJEET SHARAN

Consultant - Internal Medicine

Qualification

M.B.B.S. | D.N.B. | DTM&H

Overview

Dr. Abhijeet Sharan is a Consultant in Internal Medicine at Manipal Hospitals, Siliguri. His expertise spans multiple specialities, including Rheumatology, Hematology, Oncology, Nephrology, Gastroenterology, Dermatology, Emergency Medicine, and Critical Care. Dr. Sharan has a strong academic background, having completed his M.B.B.S. in 2005. He pursued further specialisation, earning a D.N.B. in General Medicine in 2014. Additionally, he held a DTM&H in 2011. His hands-on expertise extends to critical procedures such as central venous catheter insertion, lumbar punctures, pleural and ascitic taps, renal biopsies, bone marrow aspiration, and peritoneal dialysis. He has also managed critically ill patients on mechanical ventilation in respiratory care units. His experience in emergency medicine and critical care makes him a valuable asset in handling complex and life-threatening medical cases. He is the best Internal Medicine Doctor in Pradhan Nagar, Siliguri. His dissertation, "A Study on Clinical and Biochemical Profile of Patients in New Onset Diabetes Mellitus Type 2 in a Tertiary Referral Centre of Eastern Railway," was accepted by the National Board of Examinations in 2015. He has published multiple research

papers, including "Hypokalemic Periodic Paralysis – A Diagnostic and Therapeutic Challenge" in API West Bengal (2014) and "ANCA Negative Vasculitis – A Rare Cause of Pulmonary Renal Syndrome" in the International Journal of Internal Medicine (2015). Other notable works include studies on Hashimoto's Encephalopathy, Tolosa-Hunt Syndrome, and the Correlation of Vitamin D3 with New Onset Diabetes Mellitus Type 2. Dr. Sharan remains actively involved in continuing medical education and has attended numerous national and international conferences. These include the 70th Annual Conference of the Association of Physicians of India (APICON 2015) and the 29th Annual Conference of the Indian Rheumatology Association (IRACON 2013).
