

DR. SWAPAN KUMAR SAHA

Consultant - Cardiology

Qualification

MBBS | MD - General Medicine | DM - Cardiology

Overview

Dr. Swapan Kumar Saha is a Consultant in Cardiology at Manipal Hospital, Siliguri, with extensive experience in diagnosing and treating complex cardiovascular conditions. Having completed his MBBS (2003), MD in General Medicine (2009), and DM in Cardiology (2015), Dr. Saha specializes in Angiography, Angioplasty, Pacemaker implantation, Heart failure management, Blood pressure management, and Palpitation management. His expertise in Interventional Cardiology ensures precise diagnosis and cutting-edge treatment for patients suffering from coronary artery disease, arrhythmias, and hypertension. With a patient-centric approach, he focuses on preventive cardiology, risk factor modification, and lifestyle management to enhance heart health. Dr. Saha has a remarkable track record in performing Minimally invasive cardiac procedures, reducing recovery time and improving patient outcomes. His proficiency in Advanced cardiac imaging, Echocardiography, and stress testing allows for accurate assessment and early intervention. Dr. Saha is also committed to raising awareness about hypertension, cholesterol management, and heart disease prevention, helping patients adopt a heart-healthy lifestyle. At Manipal

Hospital, Siliguri, he collaborates with a multidisciplinary team of specialists to provide comprehensive cardiac care, from emergency interventions to long-term disease management.

Fellowship & Membership
