Overview

Dr. Karthik Thallam is a distinguished plastic surgeon in Bangalore. He is currently practicing at Manipal Hospital Varthur Road, Bangalore as a Consultant - Plastic and Reconstructive Surgery. With an impressive academic background and extensive clinical experience, Dr. Thallam has established himself as a leading expert in his field. A Gold Medalist in MCh Plastic and Reconstructive Surgery from Sri Ramachandra Medical College and Research Institute, he holds an MBBS from N.D.M.V.P. Samaj's Medical College and also a DNB in General Surgery from the National Board of Examinations. His pursuit of excellence has taken him across the globe, including the United States, where he earned his ECFMG certification and completed multiple externships in prestigious institutions such as Georgetown University Hospital and the Veterans Affairs Medical Center, Washington, D.C. He also completed a Fellowship in Aesthetic Medicine from the University of Greifswald, Germany. He is the Best Plastic Surgeon in Varthur Road. The career of Dr. Thallam spans over a decade, with rich experience in both India and abroad. His areas of expertise include cosmetic surgery, microsurgery, hand surgery, rhinoplasty, and burn care. His career has

also seen him contribute to surgical education as an MCh resident at Sri Ramachandra University, where he excelled academically. Throughout his career, Dr. Thallam has been deeply involved in both academic and clinical research. His publications and presentations reflect his commitment to advancing the field of plastic and reconstructive surgery. Notable works include his articles on pediatric thumb replantation, which were featured in Healthcare Radius and The Times of India, as well as his research on burn injury cases, published in the Deccan Herald. Dr. Thallam has also presented at various national conferences, including INDOCLEFTCON and TANPAPS. Moreover, Dr. Thallam is committed to professional growth and continuous learning, having attended numerous workshops and conferences focused on plastic and reconstructive surgery. His hands-on training includes microsurgical techniques, breast surgery, cranio-maxillofacial fracture fixation, and hair transplantation. He has also participated in international CMEs, further enhancing his expertise in advanced surgical procedures. His dedication to the medical field has earned him several accolades, including the B. Hanumanthaiah Medal for DNB Surgery and the Association of Surgeons of India Quiz Award. He is also a certified provider of ACLS and BLS, underscoring his commitment to patient safety and emergency care. Outside of his professional life, Dr. Thallam is passionate about swimming and enjoys learning new languages. He is multilingual and fluent in Tamil, Telugu, Hindi, Kannada, and Marathi, which allows him to communicate effectively with a diverse range of patients. With his exceptional qualifications, extensive experience, and commitment to patient care, Dr. Karthik Thallam is a trusted name in plastic and reconstructive surgery
